What is the manner employed by a vampire to bring a victim to her feet? What are her wiles? Is she clever or only beautiful? "The Daring Years," scheduled for release at the Pacific Theatre Saturday and Sunday, gives some startling answers to these questions.

Staggering thrills! Stirring drama! Appealing romance! Delightful comedy! A pulse-quickening story jammed with action! You get all of these in "The Fighting Sap," Fred Thompson's greatest picture, which comes to the Pacific Theatre Tuesday and Wednesday, October 28 and 29.

—THINK THIS OVER—

The Boys won the War. Now after waiting 6 long years, a Bonus bill passed. Who vetoed it? Coolidge. When the farmers asked for relief legislation, who said, "The Farmers must help themselves?" Coolidge. Who vetoed the Old Soldiers' Pension bill (known as the Burlsum bill)? Coolidge. Has Labor forgot about Daugherty's infamous injunction? Government by injunction! Who signed the Japanese Exclusion Act under protest? Coolidge. Who tried to stop instead of speed-up the Tea Pot Dome exposures? Coolidge. Who fought hard on the right side for all the above measures? Senators La Follette and Wheeler. Nowadays if a poor man steals a loaf of bread he is put in jail! But if a Rich Guy steals \$1,000,000, he becomes a Canadian tourist!

The Logical Choice of the Careful Buyer

The Ford car delivers more useful, care-free, economical service per dollar invested than any other car. Its sturdy, rigid construction is striking evidence of enduring materials. Every minute operation is scientifically tested and accurately checked.

Control of natural resources and complete manufacture in large volume have made possible value that is the one standard by which every motor car must necessarily be judged. The Ford car is the logical and necessary choice of the buyer who wants to get the utmost from every motoring dollar.
