When all is said and done, the most dangerous word in the English language is "yes."

It really doesn't matter if your sins do find you out. The neighbors would anyway.

Men grow up and transfer the belief they had in Santa Claus to their Congressmen.

The length of her skirt is no longer a sign of her age—and for that matter neither is her face.

If a girl isn't wearing the right kind of stockings she just can't sit down without crossing her knees.

The earliest wooden coffin in England was that of King Arthur, who was buried in a hollow log.

The knocker is usually right about his town. If it wasn't that kind of a town it wouldn't tolerate him.

A wonderful wife is a woman who can look like she is interested while her husband is doing his bragging.

You also have probably noticed that many of the good deeds men forget to do are put on their tombstones.

Fortunes must be dropping in laps these days, judging by the large number of folks who sit around and wait.

It's been getting so that if parents wish to kiss their children good-night they have to stay up until morning.

Etiquette note: It isn't all necessary to get on your knees to propose if the girl happens to be sitting on them.

One thing that puzzles us is how a girl can eat a tiny piece of toast for breakfast and still be alive when dinnertime comes.

It is a mistake to say that the people who live a hundred years from now will have nothing to laugh at. They can laugh at us.

Our advice is to try to get all you are looking for in this world. You may get something you're not looking for in the next.

BURBANK POTATOES GROWERS ORGANIZE

Washington County Burbank seed potato growers formed an organization at a meeting in the grange hall in the Scholl community last Friday night.

Membership in the organization is open to certified and standard seed potato growers and those making special effort to grow a high grade of seed potatoes.

The object of the organization will be to continue to improve the quality of low-topped Burbank potatoes for seed purposes in order that there may be a reliable source of this seed available for local and outside markets.

The organization has already taken steps to introduce their potatoes into southern seed markets.

The organization plans to hold field meetings and tours in cooperation with the county agent and O. A. C. Extension Service to study potato disease control during the growing season of that crop. The club will also encourage boys' and girls' potato club work and has already organized the Chehalis Mountain Certified Burbank Potato Club.

Otto Brose, of Sherwood, Rl. is the president, and Robt. Warrens, of Forest Grove, is the secretary. Other charter members are: John Schmeltzer, Herbert Fischer, W. E. Peters, W. C. Edv, S. S. Stearns, B. N. McClure, Roy Jacquith, H. J. Valentine, Geo. Kirkpatrick, and Jas. Dodge.

The organization is the result of three years work in potato seed improvement in the Chehalis Mountain district.

Household Dept. VALUABLE HOUSEHOLD RECIPES AND SUGGESTIONS

Raisins with Apples—Soak a cupful of seeded raisins in a little water for three hours. Drain and add the raisins to a quart of ordinary applesauce, which has been seasoned with sugar and nutmeg or cinnamon. This will be found a pleasant change from the ordinary apple sauce.

Chocolate Nut Cookies—Mix together one cup of brown sugar, one-half cup of butter or butter substitute, one-half cup of sour milk, two squares of chocolate, melted, one and one-half cups of flour, one-half teaspoon of soda dissolved in the sour milk, one teaspoon of vanilla and one cup of chopped walnut meats. Stir together and drop by spoonfuls on several greased tins. Bake at 350° when cold cover with chocolate icing and sprinkle the tops with chopped walnuts.

Cream Puffs—One-half cup shortening, one cup boiling water, two teaspoons baking powder, one cup flour, one-eighth teaspoon salt, three eggs. Heat the water and shortening in a saucepan until it boils up well. Add flour, sifted with salt, all at once, and stir vigorously. Remove from fire as soon as it is mixed; cool and mix in unbeaten eggs, one at a time. Add baking powder, mix well, and drop by spoonfuls one and one-half inches apart on a greased tin. Shape into a circular form with a wet spoon. Bake about twenty-five minutes in a hot oven. With a sharp knife, cut a slit near the bottom of the puff to admit the filling. Fill them with sweetened whipped cream.

Cornflake Macaroons—Take one cupful each of cornflakes, coconut, and sugar, two well-beaten eggs, two tablespoonfuls of flour, salt to taste, and one teaspoonful of vanilla flavoring. Mix thoroughly together. Drop by teaspoonfuls onto a baking sheet. Bake in a moderate oven. This should make about twenty-five cakes.

Jumbles—Take one cupful of molasses, one-fourth of a teaspoonful of soda; beat well and add three well-beaten eggs, one cupful of brown sugar, one cup of shortening, salt to taste, 1-half tablespoonful of ginger, one-half teaspoonful of cinnamon, and four cupfuls of flour measured scantily. Mix together thoroughly, and bake as you would Drop Cookies.

Tomato Stuffing for Peppers—Mix one cupful of tomato pulp with half a cupful of fine bread-crumbs. Melt two table-

spoonfuls of butter in a saucepan, stir in two tablespoonfuls of flour and one-half cupful of stock or water. Cook for five minutes, and add the tomato pulp and bread-crumbs. Season with salt, paprika, nutmeg and onion juice, and allow to simmer; then fill the peppers.

Pickling Smelts—Cut off the heads, fins and tails of the fish. Arrange in steamer and steam for ten minutes; place smoothly in a crock with a layer of raw onion, sliced. Make a mixture of vinegar and oil, a bay leaf, a stick of cinnamon, a few whole cloves, a slice of lemon, pepper, salt and mustard. The spices, bay leaf, and mustard may be omitted if desired. The smelts will keep a long time if carefully pickled.

Mustard Smelts—Cut off the heads, fins and tails of smelt and carefully wash; leave them in a medium salt brine overnight. In the morning drain and wipe well, pack in jars tight and taking care to lay them straight. If care is taken they will not break up when opened. To one gallon of vinegar add eight heaping tablespoonfuls of mustard, three-fourths tablespoonful of cayenne pepper, one tablespoonful of each three tablespoonfuls whole cloves, three tablespoonfuls whole allspice. Put all the spices in the vinegar, let come to a boil, then pour over the smelts. Put the covers and rubbers on loose, and sterilize for three hours. Tighten the lids, and turn upside down for two days to test them.

ALOHA MAN OFFICER OF POETRY SOCIETY

At the regular annual meeting of the Northwest Poetry Society, held at the Portland Library last Friday evening, Mr. Verne Bright of Aloha was re-elected to the office of first vice-president of that organization. Mr. Bright has held this office since the inception of the society a year ago and during most of that time has been acting president, due to the absence of the president, Mary Carolyn Davies, in New York. Since the beginning of this year Mr. Bright has disposed of poems to the following publications: L'Alouette of Malden, Mass.; American Poetry Magazine of Wauwatosa, Wis.; Muse and Mirror of Seattle, Wash.; Lariat of Salem, Ore.; Sunday Democrat of Albany, Ore.; and the Portland Journal.
