### Win In Contest

**Accuracy Rather Than High Speed Gives Lutina Hulett First and Eva Whitworth 2nd Place**

Washington County Typewriting Contest was held in the auditorium of the Beaverton High School Friday, March 27. Pupils from all the high schools in the county, Tualatin, Gaston, Banks, Hillsboro, Forest Grove, and Beaverton were eligible to enter the contest. It was given under the rules of the National Typewriting Contest.

Pupils from all the larger schools were present and entered candidates in the Junior and Senior Divisions of the 2 classes.

Beaverton won both first and second in Class A. Senior Division, third prize being won by Miss Whited of Forest Grove. First prize in the Junior division went to Forest Grove, second to Hillsboro and third to Forest Grove.

Miss Lutina Hulett, senior in Beaverton High, won first with 56 words net per minute. Miss Eva Whitworth, another senior, won second with 54 words net per minute. The net number of words is computed by taking the total number of words written, deducting therefrom ten words for every mistake, and dividing by the number of minutes written. The classes wrote fifteen minutes. Miss Victoria Seymour of Forest Grove wrote upwards of 80 words per minute, but owing to having made about 52 errors her net total was only about 47 words per minute.

Contests were held in all the counties throughout the state where typewriting is taught in the high schools and the winners in the county contests are eligible to compete at Corvallis April 18 when the state championship will be decided. The winner for the state championship will be eligible to compete in the national contest to be held toward the end of the school year.

## SAN FRANCISCO

### READY FOR NAVY

Forty thousand sailormen, manning 145 ships of the United States Navy will be in San Francisco April 5 to 15 as part of the largest and most spectacular peace-time mobilization of fighting craft ever staged in an American port.

On April 5 the combined Atlantic and Pacific fleets under command of Admiral Robert E. Coontz, will steam through the Golden Gate to an anchorage in the San Francisco harbor. The procession into the bay will be a spectacle of thrilling interest. There will be an equally inspiring picture ten days later when the great armada puts to sea in battle array bound for the Hawaiian Islands and Australasia.

## ARMENIAN WORKER

### TO SPEAK HERE

The Ladies' Aid of the Bethel Congregational Church will hold a tea at the home of Mrs. Otto Erickson April 9th at 2 P. M. Mrs. Rambo, a foreign missionary worker, will be the principal speaker at the tea. The ladies will serve Pilaf Armenian fruit bread and cocoa at the tea.

Mrs. Rambo spent two years in the Near East and is putting into her work here the same enthusiasm which she showed when, with her husband, she rescued some fifty thousand Greeks stranded on the beach at Batoum, for which service she received the thanks of the Queen of Greece.

Previous to that they conducted an orphanage near Tarsus, the home of Saul. As a young woman, Mrs. Rambo saw years of service in India in missionary work, and few people will leave a stronger Christian impression on the community than she will.

We are sure that everyone who attends this tea will be greatly repaid and will profit by so doing.

J. W. Raynard reports great success in salmon fishing, but then lots of fellows can tell a good fish story.

### Has Clean-Up Day

Huber Men Turn Out And Clean Up Clubhouse Grounds And Plant Shrubs; Ladies Serve Eats

"Help wanted!" was the cry over at the Huber club house last week when the ladies entertained the club, and to judge from the number of men working at the club house beautifying the grounds last Sunday, it can truthfully be said that the members of the Huber Commercial Club all wanted a "job" although it was Sunday, for the grounds were alive with the boys who all wanted to do their "bit" in making the club house grounds worthy of the fame it carries. The boys arrived on the scene about 9 A. M. and worked until 5 P. M.

Much shrubbery was planted. Many very choice gladioli bulbs and a variety of flower seeds and plants, all donated by the ladies, were distributed about in every nook and corner. Even Oregon grape and young fir trees found places of honor.

At one o'clock a most bountiful dinner was served by the ladies, who also had turned out strong to do their "bit" and, needless to say, everyone's appetite was in good order. It was indeed a most enjoyable affair from all standpoints.

Everyone seems to enjoy the sociability and good fellowship as well as the work, and the Ladies' auxiliary to the Huber Commercial Club take this opportunity of expressing their appreciation of the ready response from the club members.

Now watch the paper, boys, as there is another such day coming ere long to put the finishing touches on it all. Thank you!

The streets that were graveled last spring have given out in several places this winter and local people are not at all satisfied with the service they gave.

Extremes meet

"Isn't a lawsuit involving a patent right about the dullest thing imaginable? asked one court fan of another.

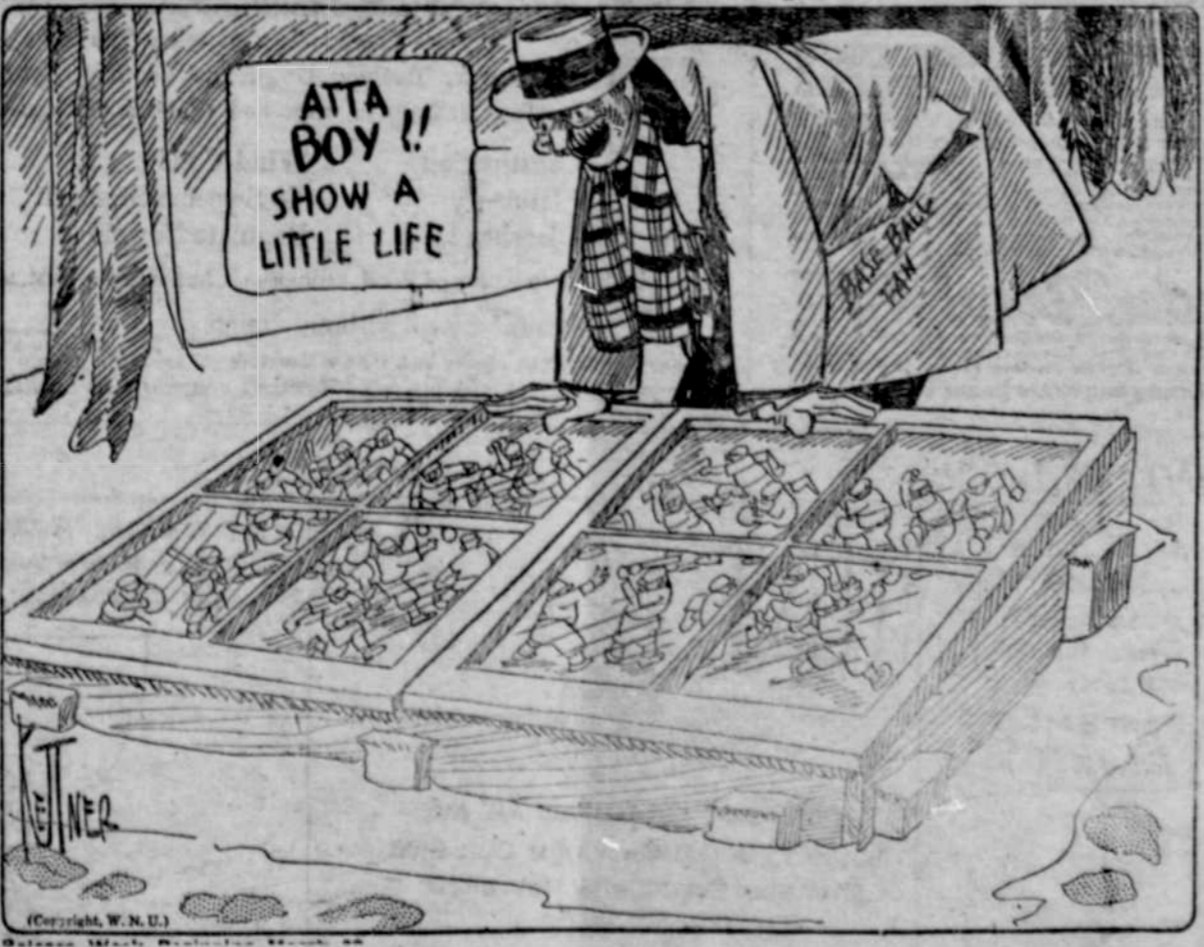

"Not always," was the reply. "I attended a case not long ago that was really funny. A tall lawyer named Short was reading a 6,000 word document he called a brief."

Little Jane—Mother, why did you say anything about Mr. Baldwin's hair?

Mother—Sir!

Little Jane—'Cause he ain't got any hair to talk about!
