City Fathers

Met Monday

Proposed Library for Beaverton Is Discussed at Meeting; Hughson's Resignation Accepted

An extra busy session of the City Council was held in the City Hall Monday evening, when the City Fathers held their regular April session. The minutes of the previous meetings were read and approved as read after which several matters of interest were taken up.

D. U. Cochrane, Givies, teacher at the high school, was present and addressed the Council on the subject of a city library. He told how there was in his civics class in the high school a Junior Civic Improvement League which among other things had taken up the matter of promoting a library for the town of Beaverton. He told how the class had been organized, committees appointed, and a canvas made of the town.

This committee has secured the promise of something like eight hundred volumes which would be donated free of charge to the library. Different business men have been solicited, and practically everyone approached had agreed to contribute one dollar per month toward the support of the library. A canvas has been made and the promise of a room secured in the Cady Building. The estimate was that \$25 a month would be needed for the support of the library. This is to include room rent, lights, and payment for the services of a librarian.

No definite action was taken on the matter by the Council but a committee of two, C. C. Beach and Hugh Lewis, was instructed to investigate the proposition and report to the next meeting of the Council.

Dallas Murray was present and asked that an extension of water mains on Allen Avenue be made so as to furnish service to the occupants of the new houses he has under construction in that section of town.

The matter of paving several streets in Hocken's 4th Addition and Mason's Addition to Beaverton was presented by means of a petition signed by Frank Hocken and Dr. Mason. It was decided to table this matter until the next meeting as the streets would require all new grading and it was not thought possible that the work could be done at this season of the year, owing to the condition of the ground. Mention was made of the unsatisfactory condition of the streets put in early last season and the Council did not think it advisable to begin paving operations before the ground had thoroughly settled.

Mention was also made of the difficulty which would probably be experienced this year in securing rock for street and other construction as a Mr. Underwood, living in the vicinity of the Beaverton rock quarry had threatened to serve an injunction and stated that he would fight the matter through the Supreme Courts as he considered the quarry a menace to the safety of people in that immediate vicinity.

The resignation of Howard Hughson was read and accepted without comment on motion of Mr. Beach, seconded by Mr. Lewis.

AUXILIARY TO HUBER CLUB IS PROSPERING

The Ladies' Auxiliary to the Huber Commercial Club held its regular meeting last Tuesday. Much business was transacted. Several new names were added to the membership list. The club is growing fast and owing to the fact that it is only in its infancy we are proud to say that it is progressing beyond expectations. Everyone seems to take much interest in the work of making it a benefit to the community.

After the meeting, dainty refreshments were served by Mrs. E. J. Mann.

Mrs. Sam Speake cut her finger quite severely yesterday.

ANOTHER LUNCHEON WILL BE GIVEN

The Tuesday following Easter, April 14, has been selected as the date for the next business men's meeting. It was hoped that at this meeting it would be possible to have the ladies present but a thorough canvass of the town failed to reveal any place with sufficient room to accommodate the number that would probably wish to attend.

For a time it was thought that the ladies of the Congregational Church would serve supper but at their meeting they decided they would not be able to do so. It would seem a good opportunity for an organization wishing to raise a little money for some worthy cause, to get in and profit by it, but as yet no such organization is available.

It is possible that the Domestic Science class in the High School would be willing to undertake something of this sort but the decision of the Ladies' Aid was given at such a late date that it was impossible to take the matter up with these people.

This meeting will be held in the same place the last one was. Mr. Marshall Dana has been secured to deliver the principal speech. Arrangements have been made to take care of a considerable larger gathering than previously met and it is hoped that there will be no one who wishes to attend who will be denied an opportunity to do so.

Tickets may be secured at Sprague's Everybody's Store or at the Bank of Beaverton. The meeting will be from 5 to 7:30 P. M. on the evening of Tuesday, April 14. Promptness will greatly facilitate arrangements and we hope to make this a memorable gathering.

BASEBALL SEASON TO OPEN HERE

The boys belonging to the M. W. A. of this vicinity have been busy this week fixing up the grounds where the high school played football last fall. They have organized a baseball team and are planning on showing us some honest-to-goodness baseball.

Lee Garr has been elected Manager of the team and he has been busy lining up the available material and getting games scheduled.

Redville promised to come here for a game but later it was learned that some of their players had to go to Hillsboro Sunday.

Now an effort is being made to induce Sherwood to bring their delegation over and see what our boys are like. If they do come, let's all see the game and don't forget to root for the home team.

SURPRISE PARTY GIVEN THURSDAY

Mr. and Mrs. Cash Johnson had a very pleasant surprise Thursday evening, April 2 when a large number of their friends came in on them with well filled baskets and with smiles on their faces. The occasion was their 30th wedding anniversary.

The evening was spent in playing games and recitations, after which dainty refreshments were served. The guests left at a late hour wishing Mr. and Mrs. Johnson many happy returns of the day.

Those present were: Mr. and Mrs. A. H. Spraner, Mr. and Mrs. W. Petch, Mrs. Sarena Akin, Mrs. Dan Adams, Mrs. Elizabeth Sammons, Mr. and Mrs. Brown, Mr. and Mrs. Smith, Mr. and Mrs. Florence, Mrs. Ekstrom, Mrs. C. Billstin and daughter Abbey, Mr. Billstin, Mr. and Mrs. Cash Johnson, Miss Edna Hill, and Miss Noma Brown.

W. A. Smith and family returned Tuesday evening from a trip to California. They have been gone about four months.

In view of the number of conventions coming to Portland this summer and the probability that the delegates will visit our town, it would look as though some concerted action looking towards the beautifying of our fair city would be in order.

FROM OUR CORRESPONDENTS

Interesting Little Notes from the Surrounding Country as Told by Our Active Special Correspondents Weekly

ALOHA-HUBER ITEMS

S. F. Wray is busy in Beaverton building a house for Mr. Berthold.

Monday night Mr. and Mrs. Mann were dinner hosts to Mr. and Mrs. Ralph Moore of Portland.

Miss Luella Cascadden came out from Portland Sunday to spend the day with the old folks on the farm.

Mr. H. A. Smith left for Longview, Washington, Sunday, in a business trip, and expects to return the latter part of the week.

Mr. and Mrs. E. J. Mann with a party of friends attended the supper and dance at the Elks' club in Portland last Saturday night.

Mr. and Mrs. Spraner of Beaverton drove out to Mrs. Mann's dahlia farm Sunday and placed an order for some of her choice bulbs.

Attention, club members. The Huber Commercial Club holds its next regular meeting Monday, April 13. Important business. Please attend.

Mr. and Mrs. W. J. Alexander attended the Dog Show at the Auditorium in Portland last Friday night and Saturday. As they are great lovers of dogs, they surely enjoyed giving the 419 canines the once over. An English setter, "Patsy What" was chosen as best of all the breeds on display. Hats off to the English Setters!

HUBER CLUB TO ESTABLISH MARKET

Plans are now under way for the construction of booths in the Huber club house grounds with the idea in view of establishing a market under the name of the Huber Club Community Market, which will enable all members to dispose of their products right at home, which will certainly mean a great deal to many who have not the time to take things to Portland to market. In order to create a demand the very best quality of goods must be offered for sale.

Mr. J. H. Yeager make a business trip to Tillamook Monday.

Mrs. Jack Casey and children who have been visiting at the home of S. T. Winisky, have returned to Elma, Wash.

Mr. Carleton E. Spencer, the Registrar of the University of Oregon, spent Monday at the home of his uncle, J. F. Godard, on the Canyon Road. Mr. Spencer delivered a lecture to the students of Jefferson high school in Portland on Tuesday morning of this week.

CONGREGATIONAL CHURCH EASTER EXERCISES

The Bethel Congregational Church announces special services for Easter as follows: At 10 A. M. a children's program will be given under the auspices of the Sunday School. At 11 A. M. a sermon will be preached by the pastor, Dr. C. A. Blanchette on the theme of "He is Risen." There will be baptism, reception of members, and the observance of the Lord's Supper. Special Easter music will be given by the choir.

In the evening Christian Endeavor will meet at 6:30. At 7:30 a short address will be given by the pastor on the theme of "Did Christ Rise from the Dead?" The Bethel Choir will be heard in a sacred Cantata, "Our Living Lord." Soloists will be Mr. and Mrs. E. G. Webb, Mrs. J. E. Davis, Miss Rhoda Shellenberger, and Mr. Harris Hanson, and they will be supported by the choir of twenty voices under the direction of Willis Cady. The public is cordially invited to attend all services.

RATE CHANGES EFFECTIVE ON APRIL 15

On next Wednesday, April 15, the changes in domestic postal rates authorized by the recent act of Congress will become effective, and Postmaster Cady wishes to call attention to the outstanding features among the changes.

In the first place, there is but little change in the rates on first class mail. No difference at all as regards letters and government postal cards. However, ordinary printed cards commonly known as "greeting" or "picture" cards, will require 2c postage. Complete newspapers and magazines, if mailed by the public, will cost 2 cents per two ounces in weight; over 2 ounces will take the new parcel post rate.

The method of computing the rates on parcel post under the new law is identical with the old, save and except that there is an additional 2c service charge on each and every parcel mailed at the postoffice. This charge is not effective if the parcel is mailed on a rural route. There is no change in the rates of postage to foreign countries.

Also in regards to parcel post a new service has been arranged for, to be known as "special handling." This is to save the delays now caused by the reworking of parcel post at the various postal terminals, and insures the parcel being forwarded by the first mail, giving better service. From the Beaverton standpoint this would be most effective in mailing parcels to the Eastern States, as such mail is now reworked at terminals in the middle west. The charge for this service is 25c in addition to the regular postage.

Fees for practically all of the special services, known as the C. O. D. service, insurance service, registry, or money order, have been changed. The C. O. D. fees are changed to correspond with the amount collected—the greater the collection the larger the fee. The smaller insurance fees are raised from 3c to 5c for \$5.00 insurance, and from 5c to 8c for \$25.00 insurance. Registry rates are raised from 10c to 15c for \$50.00 indemnification, with the additional charge of 3c for a return receipt. Money order fees are changed to a new scale which provides for raising the fees on the smaller orders and lowering them on the larger orders.

All of the employees of the local postoffice will endeavor to have the information regarding the new rates accessible for any patron who is interested, and they will be glad to answer any questions.

It was announced in the daily press yesterday morning that the funeral of the late Archbishop Christie would be held Wednesday, April 15, at the Cathedral. Several Beaverton people are planning on attending the ceremony.

AUTO ACCIDENT NOT SERIOUS

What might have been a very serious accident but which ended very happily although some damage was done, occurred Monday evening when a Ford roadster coming down the Terwilliger and attempting to make the turn in the "Y" to proceed down the Canyon Road turned turtle. The machine must have been coming at a high rate of speed and the young lady driving had slowed down somewhat, but sufficient speed was under way to make the little car turn completely over twice before it landed.

The car was occupied by H. Clark and Rosa Fletcher from Portland. Mr. Clark had turned the wheel over to the young lady but a short time before.

The top and the windshield were completely demolished but aside from a bent fender no other injury seemed to have been done to the car, which was taken to Marsh's Garage for first aid.

Mr. Clark suffered a slight cut on one of the fingers of the left hand. The young lady escaped with only a very severe shaking up.

Building Activities Continue Lively

Upwards of Twenty Houses, Representing Investment of About \$75,000 Under Construction

Building activities continue brisk in Beaverton. Upwards of twenty residences and other buildings are under construction, the total valuation running probably between \$75,000 and \$100,000.

Mr. Murray states that he has practically completed two of his houses on Allen Avenue, and he expects them to be occupied within the next few days. He has five houses under construction on his Westdale tracts just east of town. Two are just about completed, two are well under way, and one is just nicely started.

Mr. Hanson of Portland is building several residences just beyond the Murray tract and north on the road joining the Canyon Road and the Terwilliger Boulevard east of Westdale.

Mr. Ophirs has his house nicely under way. Mr. J. F. Fredriccy's house is well under way. Lloyd Blauer is occupying his new house.

Frank Hocken has just finished three houses. S. A. Fredrickson has moved one of his houses and is remodeling it and getting it into shape for occupancy. J. W. Raynard is making various improvements in his residence recently purchased from John Peterson. There are several private parties who have houses started or are planning to begin operations soon in the southwest section of town.

It is reported that A. H. Spraner has purchased a half block in one of the new additions and that he is contemplating building three or four houses. There is a new building under construction in his section and we are not sure whether it is to be one of the Spraner houses or is one of the Hocken houses.

BEAVERTON SUCCESSFUL IN TYPING CONTEST

A typewriting contest was held between the commercial departments of the different high schools of the county at the Beaverton High School on Friday afternoon, March 27, 1925.

Five high schools were represented. In Class A were Beaverton, Hillsboro, and Forest Grove. Gaston and Banks were in Class B.

Following are the winners of first, second, and third places in each class and division:

Class A, Senior Division: 1st, Lutina Hulett, Beaverton; 2nd, Eva Whitworth, Beaverton; 3rd, Helen Whited, Forest Grove.

Class A, Junior Division: 1st, Helen Herrick, Forest Grove; 2nd, Thelma Van Doren, Forest Grove; 3rd, Cary Signs, Hillsboro.

Class B, Senior Division: 1st, Hazel Culbertson, Banks; 2nd, Irene Marr, Banks; 3rd, Glenn French, Banks.

Class B, Junior Division: 1st, Fred Johnston, Banks; 2nd, Matthew Skene, Banks; 3rd, Marjorie Muller, Banks.

This is a more complete and more correct report than the one which we printed in our last issue.

TRACK MEET TO BE HELD MAY 9

The high school coaches of the various high schools in the county met in the office of the county school superintendent at Hillsboro Thursday evening to discuss the matter of the Washington County High School Track Meet.

This Meet is scheduled for Saturday, May 9, on the Pacific University grounds at Forest Grove. There will be no grade school track meet this year.

Federal dredging operations began April 1 in the Coos Bay harbor.

A new high school to be built in Pine Valley will cost about \$40,000.

The Woodmen of the World will build a \$100,000 hall in Portland.
