### Local News

Mrs. A. T. Alexander is reported critically ill at this time. Doy Gray is suffering from a contact with poison oak. The foundation of this community and of business is friendship. Mrs. Otto Erickson entertained the Ladies' Aid Thursday of last week. Arnold Classen is driving the truck for the Service Lumber Co. J. W. Raynard left Tuesday afternoon on a fishing trip to Pacific City. Just arrived, a carload of No. 1, choice timothy hay. Chas. Berthold. Adv. Mr. and Mrs. H. O. Stipe of Gearhart spent Easter Sunday with their son here. Mrs. Carl Desinger has been helping at the Bank of Beaverton with extra work. The pupils of Miss Gladys Haines gave her a delightful Easter surprise party one day last week. Barnard and Stipe, garage-men, report that they unloaded another car of Chevrolets last Wednesday. Dr. Sam Sorenson won the first payment on a lot in Dr. Mason's Addition, at the Country Store Wednesday. J. E. Wright, for the past year the substitution operator for the S. P. car shops, has been transferred to Oswego. Mr. and Mrs. J. E. Cook have moved from the Ross Building into the Leonard house on Fifth and Franklin. Mr. Chas. Berthold wished us to announce that he has a new car of alfalfa, the choice A1 kind. Better get some. Adv. The report of the financial condition of the Bank of Beaverton shows a very healthy growth and the largest balance on record. Some of the signs of the times may be seen at Dean's Drug Store where very elegant small glass signs have been suspended in front of each window and an elaborate electrically lighted sign is placed across the entire store front. Mary Brue, seven year old daughter of Mr. and Mrs. Eugene Brue, is very critically ill. She has been suffering for some time and when taken to the hospital it was found that her appendix was burst. It was thought she could live only a short time. We find it necessary to again call the attention of our patrons and friends to the fact that we are no longer connected in any manner with the Beaverton Plumbing Co., but are doing business under our own name, W. I. Noyes, Sanitary Plumbing. c. s. f. The Council held a special meeting Tuesday evening for the purpose of selling the sidewalk and paving bonds on Cedar and other streets. The Lumberman's Trust Co. of Portland was the successful bidder. Their bid was just a trifle over 103. This plainly shows the community to be in very good financial standing as few bonds are bringing more than par.

Mrs. S. Mapes is confined to her home with pleurisy. J. B. Kamberger has the contract for wiring a house for A. Fredrickson. Chas. Brown of the Beaverton Pharmacy has purchased the Stanford house on Tucker St. Mrs. Floyd Tefft and daughters Helen and Thelma, and Mr. and Mrs. P. L. Petrequin were dinner guests at the home of Mrs. Myrtle Haines Sunday. The Cantata given by the choir at the Congregational Church Sunday evening, was a great success. There was a very large crowd in attendance. Last Sunday night some miscreant cut a lot of fine young fruit trees Mike Welter had planted on his lot. We cannot imagine a punishment adequate for as low-lived a trick as this.

**POWER COMPANY REDUCES RATES**  
The Puget Sound Light & Power Co. announces a reduction in their rates for residential and business place lighting. The new rate for residential lighting is: First 30 kilowatt hours, at .10c; next 30 kilowatt hours at .07c; balance at .03c. The old rate is as follows: First 50 kilowatt hours at .12c; next 100 kilowatt hours, at .08c; balance at .04c. The new rate will be effective April 19.

**FURNITURE MAN LOCATES HERE**  
B. Huddleston, formerly of Milwaukee, Ore., where he operated a furniture store, has leased the west half of the ground floor of the Morse Bldg. from R. Hanna. Mr. Huddleston has put in a complete stock of furniture and house furnishings and says he is going to make this his home. In a community where so many new homes are being built and to which people are coming so rapidly, his store will fill a long felt want.

**SNAPPY WORK**  
"Who are those men hanging around the harems?" inquired the sultan. "I understand that one is a former beau of your latest favorite, and the other seems to be playing second fiddle to him," replied the chief eunuch. "Hum!" mused his majesty; "well, just see the captain of the guard and tell him to hang the fiddle and the beau."

**AND FINISH THE JOB**  
"Oh, he's not a bad chap. At any rate, he throws himself into every job he undertakes." "Then I wish he'd go dig a well!"  
"I once loved a girl who made a fool out of me."  
"What a lasting impression some girls do make."
