EASTERN BOYS HERE SEEING THE WORLD

Roy Gorgen, son of Dr. and Mrs. Edw. Gorgen, Danford Thomas, and Gordon McKinnon, all University students of Minneapolis, Minn., spent Saturday and Sunday with Mr. and Mrs. W. J. Alexander of Huber.

They left Minneapolis about three weeks ago by auto to see the World. They came by way of Kansas City, through New Mexico and California, and of course could not pass up Beaverton. Roy, being Mrs. Alexander's nephew, decided to surprise his aunt, and it certainly was a very pleasant surprise.

The boys were very enterprising. Roy is a very accomplished violinist, Gordon is equally as clever at the piano, and Dan displayed some vocal talent.

Monday morning they left for Seattle where they expect to spend the summer with Roy's uncle and aunt, Mr. and Mrs. Edw. Hammer. They will return to Minneapolis in the fall to take up their studies again.

F. M. Parsons, proprietor of the Busy Corner Drug Store of Marshfield, and Mr. Fitzgerald, proprietor of the Goodwin Hotel in Portland, called on Chas. Brown here Wednesday. Mr. Brown is a former employe of Mr. Parsons.

Furnaces Installed

By me are backed up by 25 years' experience in this line of work. When I install a furnace it will be one guaranteed to give satisfactory service in your particular case.

An outside furnace salesman is interested in getting your money and would just as soon sell you a furnace with only half capacity for heating your rooms.

I install the famous MONTAG furnaces, an Oregon product, made in Portland, and built especially for the needs of this climate.
