Our idea of a "White Collar" job is running a laundry.

The idea in business is to keep the quality as high as the price.

Smile and the world smiles with you; laugh and you are boisterous.

What the world in general needs is an amplifier for the still small voice.

"There are germs that live on other germs." There are people like that, too.

One is born every minute, and nearly all of them learn to sing "Sweet Adeline."

A woman conceals what she does not know but a man does not know what she conceals.

The happiest man in the world is the one who lets his neighbors attend to their own affairs.

Those research folks might try to find a way to make baldness attack the chin instead of the head.

Husbands and clocks do not actually MAKE the world go round, but they have a way of making you feel it would come to a dead stop without them.

A magazine article asks: "What is Home?" Home is the place where you can say some things about the food that you don't dare to say in a restaurant.

They say that Rockefeller has plenty to eat but can't eat. We know a guy that would sell Rockefeller his stomach for 15 cents. He hasn't used it very often.

There is no excuse for the girls of today not being beautiful, says a contemporary. The fact of the matter is that we have not heard them offering any.

Women who formerly complained that carrying a heavy mop of hair made their heads ache now complain of neuralgia from necks left unprotected by bobbed hair.

A ship has been invented by a German inventor which will return to the surface an hour after it sinks, but hardly soon enough to keep the passengers from getting wet.

An Ohio woman is accused of poisoning several people because she liked to go to the funerals. At any rate, she must be given credit for a brand new kind of crime.
