HEALTH

depends on what?

Health, when you are ill, depends upon the skill of the physician and the curative properties of the medicine he prescribes.

Bringing your prescription to us to be filled is next in importance to your call on the physician because it must be filled with the best drugs most skillfully compounded and that is just what we are in business for.

at your convenience in small monthly installments

LET'S get together—sit down and talk this thing over—decide on a definite date for the installation of your Montag Furnace.

The longer you "put off" placing your order—the harder it will be for us to give you the type of Montag service we insist upon your having.

Surely, by this time you have decided on a Montag Furnace. Of course, you want the furnace that is going to fit your home exactly as though it were made exclusively for your property.

What's the use—then—of waiting to place your order.

Winter isn't far off—just a few more of these nice days—and cold weather will be here. It will be a lot more comfortable—for you and for us—to have the job done—right now.

The money part needn't bother you! If you're waiting to get all the money at once—forget it! Very few furnaces are sold for all cash. Practically everybody makes a small payment down and takes care of the balance in small monthly payments. You can do the same. We will arrange satisfactory terms. Order *now* so we can have time to scientifically install your Montag Furnace.
