EASY TO DARKEN YOUR GRAY HAIR

You Can Bring Back Color and Lustre With Sage Tea and Sulphur

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Wyeth's Sage and Sulphur Compound." You just dampen sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray air disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound and look years younger.

Special feeding directions free. Reference: Bank of Beaverton. Females for sale. Send for circular.

Blue Fox, pen raised, \$350 a pair. Island raised, \$300 a pair. W. H. HART, Rt. 3, Beaverton, Ore. Don't come on Sunday. One fox purchased direct from Cleary Bros. last year, cost \$825. For sale at \$500. Some brown tinge in fur. No papers with Cleary's fox.
