ORIGINAL ESTIMATE AND ACCOUNTING SHEET SCHOOL DISTRICT NO. 48

This original estimate is made in compliance with section 231-A of the school laws of 1921 and shows in parallel columns the unit costs of the several services, material and supplies for the three fiscal years next preceding the current year, the detail expenditures for the last one of said three preceding fiscal years and the budget allowances and expenditures for six months of the current year. ("Six months of the current year" means six months of the last school year.)

Table with columns: ITEM, Expenditures and budget allowance for six months of last school year, Estimated expenditures for the remaining six months of the current year, Budget allowance in detail, Expenditures for three fiscal years next preceding the last school year (1923-24, 1924-25, 1925-26), and Expenditures for three fiscal years next preceding the last school year (1923-24, 1924-25, 1925-26).

J. B. Kamberger, do hereby certify that the above estimate of expenditures for the year 1925-1926 was prepared by me and that the expenditures and budget allowance for six months of the current year and the expenditures for the three fiscal years next preceding the current year as shown above have been compiled from the records in my charge and are true and correct copies thereof. J. B. KAMBERGER, District Clerk
