Stolen Auto

Found Stranded

Auto Thieves Apparently "Give Up The Ship" When Car Runs Out Of Gasoline

While Gale Karns and Mildred McLeod were attending the show Sunday evening, somebody stole their car, which they had left setting in front of the Rose Cafe.

At first it was thought that some of the young folks around town had just played a joke and had run the car onto a by-street, but a thorough search of the town soon revealed that there was no car to be found. The theft was reported to the local authorities and to the officers at Hillsboro. The car was located on the Terwilliger Boulevard with some few accessories stripped off it but not much the worse for the escapade.

The car was practically a new one. It was said that Karns put only a small quantity of gas into the tank and that apparently the car had stalled for want of gasoline and the thieves, who were probably intending to take the car somewhere and wreck it, were thwarted in their purpose by the car stalling because of lack of fuel.

The small amount of damage done was fully covered by insurance.

FIRST MEETING OF COUNCIL HELD

The first meeting of the new Council was held in the City Hall Monday evening of this week. The retiring councilmen, J. W. Sprague and C. C. Beach, were present, as well as the new members, E. W. Woodruff and Robert Fehman.

Little besides routine business was accomplished, Mayor Pegg's speech being the principal event of the evening.

Committees were appointed, and the appointive officers named: A. E. Story, Marshall; Floyd Allen, City Engineer; Alton Allen, City Attorney; and Dr. C. E. Mason, City Health Officer. Councilmen Woodruff and Lewis were appointed on the Finance Committee; Councilmen Fehman and Rossi on streets and sidewalks.

The Council will act as a whole on matters of sewage and sanitation. It was intimated that there would probably be considerable doing along that line in the near future.

The Council will meet at 10 o'clock Sunday to view a site for a ditch along the south side of the Canyon Road to drain the north part of McCurdy's Addition.

MANY ATTEND AGRICULTURAL MEETINGS

Sixty-one persons attended the peach pruning demonstration at the Chas. LaFollette peach farm at Cornelius Tuesday, and the larger part of the crowd stayed in a driving rain-storm to witness and discuss the pruning of young and old peach trees.

More than one hundred growers attended the afternoon meeting at Cornelius City Hall where the growing of berries and other small fruits was discussed. The group kept G. L. Long, horticulturist of the O. A. C. Extension Service, on the floor for two hours and a half answering and discussing different phases of the small fruit industry.

The interest displayed is keen, and expressions at the meeting indicate that there is to be a rapid development in the growing of pears, peaches, small fruits, and berries. This meeting was arranged by County Agent O. T. McWhorter, and Chas. LaFollette, county fruit inspector.

LOCAL MAN WINS

COLLEGE CONTEST

Robert Harris of Beaverton has won the cover design contest for the Oregon Agricultural College directory. Harris is a sophomore in Pharmacy.

OREGON STATE NEWS

Beaverton will ship 200 tons of horse radish.

Tillamook Bay shipped 14,000,000 feet of lumber during 1925.

Michigan lumbermen continue buying Klamath County pine lands.

Malheur County shipped \$30,000 worth of turkeys for the holidays.

Fifty deepwater steamer lines regularly ply out of the Port of Portland.

The Coos Bay port cleared almost 60,000,000 feet of lumber during 1925.

The Pioneer Silk Company is almost ready to open its new factory in Portland.

One thousand acres of peppermint will be grown in Douglas County, in 1926.

The new Mount Emily Timber Company sawmill at La-Grande has begun operations.

The paper mills of Oregon City paid Christmas bonuses of two days' wages to all employees.

A group of men in Bend have established a toy factory to use waste products from the sawmills.

George Will is planning on building a \$100,000 eight-story office and studio building in Salem.

Portland 1925 tourist traffic was 35.32 per cent over that of the year 1924, according to reports.

The Idaho Marble Company will work black marble deposits near Joseph, in Walla Walla County.

Contracts have been let in Albany for cold-packing 11,500 barrels of berries during the year 1926.

The evening theme will be "The Devil's Tomorrow."

Epworth League topic, "What Manner of Man is This?"

Sunday School at 10:00 A. M.

FROM OUR CORRESPONDENTS

Interesting Little Notes from the Surrounding Country as Told by Our Active Special Correspondents Weekly

TIGARD NEWS

B. C. Rue and family visited relatives in Silverton.

Watch parties were held in the local churches New Year's Eve.

Miss Lillian Sadgrove from Seattle spent the holidays in Tigard.

A number of Tigard teachers attended the state teachers' convention in Portland last week.

Miss Deborah Barrett from Hillsboro spent several days last week at the I. E. Barrett home here.

Miss Edna Sandblom, who teaches in the Roseburg high school, spent the holidays with her parents here.

Dr. and Mrs. C. E. Jones entertained a number of friends at their home on Tigardville Heights New Year's Eve.

The date for the union high school election has been set for Saturday, January 9. The proposed district has a valuation of about \$1,250,000.

MULTNOMAH ITEMS

The Orenomah chapter of the Eastern Star installed their new officers Monday evening.

Mr. and Mrs. E. W. Moody entertained a group of Portland friends last Saturday evening.

The Christian Endeavor society of the Multnomah Church held a Watch Party New Year's Eve.

The Multnomah Girl Scouts were entertained Wednesday at a party given by their captain, Mrs. I. E. Putnam.

Mr. and Mrs. H. J. Brookhardt entertained in honor of Miss Marion Swift of Winlock, Wash., on New Year's Eve. Miss Swift and Mrs. Brookhardt are sisters.

HILLSBORO NEWS

Mrs. Lenore Chapman, new teacher in the Scholls district school, began her work Monday.

Market Roadmaster Charles D. Jones says that the county will build 35 miles of market roads during 1926.

Fimis Brown, manager of the 1926 County Fair, is making plans for the fair, to be held in Hillsboro next fall.

Mrs. Flora McCranner, who teaches in district 19, near Beaverton, is in the hospital recovering from injuries sustained in an automobile accident. It is said that she will not be able to resume her duties for at least a month.

SKOOKUMVILLE NEWS

Skookumville 'Ho! 1926!

A big crop of Beavertown diamonds is being planted.

Mr. and Mrs. Trachsel and children were guests at the Nixon home Monday evening.

Buddy Young is a happy little fellow nowadays. He likes Santa Claus too—on Christmas he received a new bicycle.

Thos. W. Marsden, who has been ill the last few days, is improving, and will soon be on deck.

Quite a crowd was present at the Public Sale by Johnson Bros. Wednesday. They sold their fine cows.

Miss Ruth Wirth spent a part of her Christmas vacation visiting with her cousins in Portland. She reports a pleasant time.

On Christmas Anthony Trachsel took a sack of Christmas cheer up to William Walker, with the compliments of the Barnes school.

Mrs. Conway, mother of Mrs. N. P. Johnson, departed for California. From Portland she will make the voyage on the steamer Admiral Evans to San Francisco.

A good investment for 1926—subscribe for the Beaverton Review. One year, 52 copies, for \$1.50. Read what your friends are doing—and they, too, will be glad to hear about you.

Winifred Berst and Maxine Nixon, two little girls age 6 and 7 at the Barnes school know the 18 and 19's multiplication tables. If you want some fun ask somebody to say the 18's and 19's.

EXTRA! EXTRA! PUSSY

WILLIAMS CHRISTMAS

The Barnes School had pussy willows as part of their Christmas decorations. Francis Barry brought a big bouquet of the fuzzy flowers in honor of the day and to extol the glorious climate of old Oregon!

SKOOKUMVILLE TO HAVE NEWSPAPER

"The Skookumville Owl," Skookumville's first newspaper will host this week! Earl E. Fisher is Editor, and will be assisted by 24 news reporters. The new paper will be published weekly at the Barnes school house on Friday. The Old Armstrong press will do the printing.

The purpose of the Owl will be to put the "Skookum" in Skookumville and develop a crowd of Boosters that will make this community famous as the Onion Center of Washington County!

LADY WILL DEMONSTRATE NEW STOVE

You are invited to be present at the Bethel Congregational Church on Thursday afternoon, January 14, at 2 P. M. when the Bethel Ladies' Aid will give a kitchen shower for the new church.

Also, there will be a lady present to demonstrate the new gas range at the Church. She will cook and serve angel food cake and orange biscuits. The Ladies' Aid will serve coffee in connection with the demonstration.

BEAVERTON SECOND TEAM WINS GAME

(By George Hemming)

The Beaverton second team trimmed the speedy Errol Heights team of Portland by a 10-7 score.

The game was exceptionally fast and hard-fought, as the score indicates.

Coach Webb has prepared a schedule for his team and will play several of the games at home.

With a couple of more under their belts they will have a speedy hard-checking little team that will upset many of the teams with which they will tangle.

Coach Metzler of the first team has his eye on several of the second team boys as possible first string material for next year.

Foremost among these is Benny Germiquet, who has been playing an excellent brand of ball all season and has all the indications of developing into a star basketballer in a year or so.

Coach Webb's team consists of Germiquet and Tetwater, forwards; Ring and Wood, centers; and Kingston, Waughters, and Barry, guards.

BURGLAR SHOOTS DOG IN HOUSE

W. I. Noyes' house was entered on New Year's Eve and his dog shot in the house. While Noyes and his housekeeper were absent, parties unknown gained an entrance to his residence on Watson street and shot his dog in the kitchen of the house. The dog apparently fell down there and died very profusely, got up and went into the front room and there lay down and died.

The three little boys were sleeping on the front porch but didn't hear the report of the gun. When Noyes returned he found the dog dead in the front room.

The shot entered the animal's back and the bullet must have been light because it stayed in the body of the animal. No clue was left as to who the intruder was.

HIGH SCHOOL

GIRLS' ATHLETIC NEWS

(By Mildred McLeod)

The Girls' Basketball team of the High School will go forth to Hillsboro Friday night to meet their old rivals. The team has made a wonderful showing so far this season and to keep up the record that we have held in athletics for years is the thing they are trying to accomplish.

The team is not exceptionally heavy but they are fast and the team work is good. We have had a splendid showing from them this year during the Franklin High tussle and the Park Rose School game, both having been played on the home floor.

The Hillsboro game is the first of a series away from home, so we all hope that they will put forth their best efforts to win.

BEAVERTON TROUNCES ALUMNI TEAM

(By George Hemming)

The locals won their first scheduled game from the Alumni by a score of 23-7.

The High School quintet took full revenge for the 24-6 drubbing administered by the old grads in their first game.

Coach Metzler's team showed a vast improvement over its last appearance, and if it does as well in the next game with Hillsboro as in the Alumni game the locals will give Hillsboro an awful battle.

Sprague, local forward, who has been out of the last two games, played a portion of the game and should be in condition for the next encounter with Hillsboro on the eighth.

The line-up:

Beaverton 23	7 Alumni
Harrison	F Taylor
L. Gray	F Malarkey
Bous	C Barnes
Jones	G Erickson
Tigard	G Halsten
Sprague	S Finley
Johnson	S Hocken
M. Gray	S Masters

Referee: Smith

The shot entered the animal's back and the bullet must have been light because it stayed in the body of the animal. No clue was left as to who the intruder was.

Chance To Learn

The Charleston

Local Girls to Have Chance to Appear in Charleston Revue, Coming to Beaver Theatre

Girls, do you want to learn the Charleston, as well as other stage dance numbers, and appear behind the footlights right here in Beaverton?

The chance of a lifetime for all you girls past 16 years of age to get into a real show, in a regular theatre, is at hand, and this article tells you all about it.

The "Charleston Revue of 1926" is coming to town. It is a big show and surely will pack the theatre in Beaverton, as it does everywhere else. And here's where you amateurs come in: The show hasn't any chorus. It must be gotten right here in Beaverton, and vicinity.

This is your opportunity and all you have to do is to leave your name and address, or telephone number with the management of the Beaver Theatre, who will put your name on the list of applicants and have you meet the dancing instructors of the "Charleston Revue" of 1926.

They will be here to start rehearsals next week, and the director will line up all the girls at the theatre, at 4 o'clock, sharp, Monday afternoon, January 11.

Mr. Shaw, producer of this attraction, has plenty of scenery and costumes, and is determined to put on a typical big time production in Beaverton. But he needs the girls for the Charleston and other dances and he employs highly efficient teachers who possess the knack of preparing even those who are absolutely inexperienced, in an incredibly short time, and teaching them to dance beautifully, especially if they have the natural talent for dancing to begin with.

For those who are chosen, and taught by either Gladine, the Charleston expert, or Mercedes, the ballet mistress, there'll be all kinds of fun, in addition to receiving the benefit of real stage training. It will mean rehearsals nearly every afternoon for a week or ten days before the rest of the show gets here. But there is no expense attached to it, as everything, including the handsome costumes to be worn in the show are all furnished by the management. The director will arrive at the theatre Monday afternoon and will prepare at once for rehearsals and the initial try-out of talent for this production.

Maybe you can sing, dance, yodel, play a saxophone, or do some other stunt that would work well into a big revue. If so, you may have an opportunity to do your stuff, as they say, along with the regular performers, for remember you will be appearing in a professional show, and maybe some day to see your own name in the real electric lights flashing over the entrance to some big theatre.

Don't be bashful, now. Here's a chance to test out your theatrical ambitions under able directors whose tactics are dignified and instructive, and who are trained to recognize talent in the theatrical business later.

Notify the theatre managers and get in line. There'll be a dozen or more girls chosen on the stage of the theatre next Monday afternoon at 4 o'clock.

IMPROVEMENT CLUB HOLDS DEMONSTRATIONS

The second of a series of meetings and demonstrations in nutrition work will be held at the City Hall at Cornelius on Friday, January 15th, at 10:00 A. M. to 3:30 P. M.

These meetings are held by the Cornelius Civic Improvement Club, Mrs. Arthur Brock, secretary, and Mrs. Earl Hobbs, secretary. Lucy A. Case, Assistant in Nutrition of the O. A. C. Extension Service will lead the discussions and demonstrations. These meetings are open to the public and without charge.

His Annual Stunt
