Help Wanted To Harvest. Canada's Large Crop

See The West While Earning Money

Western Canada has one of the biggest crops in its history. Farm labor is needed to harvest it. You can visit this wonderful country while earning money and see the great opportunities it has to offer.

Special Low Fares

Special arrangements have been made to give harvest help a very low fare to all points in the Prairie Province. They will be in effect during the harvest season.

Announcement

THIS is to announce that we have effected arrangements with The Shaw-Fear Co., of Portland, whereby we are authorized to offer for sale all of its properties in its well known Beaverton-Reedville acreage, and at the identical prices and under the same terms and conditions as the Company itself.

With our office in Beaverton, the center of a community unsurpassed in the state; our Mr. Stickney owning a home and living at Aloha in the center of the Beaverton-Reedville tract; and with facilities for showing our patrons over the lands, we are in a position to be of real service and give the reliable information desired by home seekers or investors.

This Beaverton-Reedville acreage is but 30 minutes from the center of Portland, with electric line and paved highway passing thru it; a body of land with rich soil, comparatively level, no waste, solidly and substantially developing. The new Canyon Road, which will be the finest boulevard out of Portland, will cut down the distance and time to these beautiful home sites, and add mightily to all lands in this entire locality.

We also have large listings of homes and acreage in Beaverton and vicinity. Give us a call—we can please you.
