Men's Bible Class Gets Publicity

Activities of recent months in the Men's Bible class of the Beaverton Church of Christ have brought to the organization wide attention. A recent issue of "The Look-out," a magazine of religious education read by Christian people the country over, carried a story of the establishment and growth of the class and a group picture of the members.

Unusual interest and enthusiasm in the work of the class just at this time are attributable to the attendance contest which is being waged against the Men's class of the Hillsboro Christian Bible school.

The Women's classes of the two schools are also trying to outdo each other in attendance, etc., at the Sunday morning sessions.

This is the second such contest that the Men's classes have held. The first resulted in increased interest in the work of the classes, as well as a couple of evenings of splendid fellowship between the two classes. The present contest bids fair to far surpass the former one. Of course the main purpose of the contest is to bring more men into the fellowship of the

classes and a greater knowledge of the Bible.

On October 10, there were 29 men in attendance at the Beaverton class. We hope in the near future to have the attendance far in advance of this.

You are invited to meet with us each Sunday morning at 9:45. Come out! Give the class a chance! You owe it to yourself to find out that the lodges and clubs do not have a monopoly on brotherhood and fellowship. Besides, WE STUDY THE BIBLE. J. Frank Cunningham, Teacher.

SURPRISE RECEPTION GIVEN MR. & MRS. TAYLOR

A surprise reception was tendered Pastor and Mrs. Taylor at the Bethel Congregational church last Friday evening by members of the church and friends. The affair which was under the auspices of the Bethel Aid was announced to Rev. Taylor at a meeting for the Sunday School board but when he arrived at the church and saw the size of the "board" he promptly claimed the meeting as a birthday party.

About sixty sat down to eat at 6:30 P. M. from well-filled tables. After the dinner Dr. Mason spoke, representing the church and welcoming the Taylors officially, followed by Mr. Doty speaking for the Sunday School and Mrs. R. M. Barnes for the Ladies' Aid, to which Rev. Taylor responded in an appropriate manner.

Lyman Webb contributed to the enjoyment by reading a selection which was enjoyed by every one present.

WILLAMETTE CONGREGATIONAL ASSN. TO MEET

Bethel Congregational Church will be the entertaining church for the annual meeting of the West Willamette Congregational association on Wednesday, October 20. Members of this association are the churches at Hillsboro, Forest Grove, Gaston, Hillside, Hood View, Beaverton and their pastors, as well as many Congregational ministers now engaged in teaching or retired.

Among the speakers will be Rev. Elmer Galt, one of the American Board missionaries, stationed at Peking, China, at present home on furlough; superintendent G. H. Harrison and Fred Gray of the local Congregational forces and Professor H. S. Tuttle of the faculty of the University of Oregon.

REBEKAH LODGE WILL BE INSTITUTED IN BEAVERTON

There was a meeting in the I.O.O.F. hall Friday evening for the purpose of investigating the possibilities of instituting a Rebekah lodge here. About fifteen members of lodges located in other cities signified their willingness to withdraw from their old lodges and enter the one to be instituted here. Several others who are qualified to become members also stated they would join as soon as the new lodge was instituted.

Mrs. B. B. Scott of Cornelius, was at her brother, Tom Allen's place for the week-end.

BEAVERTON TRIMS GRESHAM TO THE TUNE OF 19-6

(From the Beaverton Humber)
In a fast game last Friday, the Beaverton High School football team beat the team from Gresham Union High school to the tune of 19 to 6 on the latter's field.

Three touchdowns and one converted goal netted the "Orange and Black" their score. A solitary touchdown in the third quarter resulted in the score for Gresham.

In the second quarter, Barry Beaverton's right end, recovered a fumble made by Gresham behind her own goal for the second touchdown. The first touchdown was made soon after the kick-off at the beginning of the game after a series of line plunges from the center of the field. The third touchdown was made when Jones, local half-back, skirted their end for a thirty yard run in the third quarter.

Another long run in the fourth quarter for a touchdown was ruled out as Beaverton's left end was "offside."

Beaverton tore through Gresham's line at random, they not being strong at defense, although quite evenly matched in size with Gresham possibly heavier, but they could not stop our attacks.

Our next game is to be played at home against Molalla, next Friday. Let's see everyone out to yell for the team. After winning two games we can't afford to fall down in front of Molalla, so let's everyone be there and fight for the team.

The rock crusher on Hesse hill which has been in operation during the past two months or more, was closed down the last of the week for the season. The road supervisor and crew have done some fine work in this district and the roads have been put in very good shape for the winter.

HOME-COMING DAY

A very pleasant day was put in at the church Sunday. There was a very good attendance and "Rally Day and Home-Comings" exercises were enjoyed after the session of the Bible school.

The following program was much enjoyed by all present:

Song, by the school; recitation by Elmer Bierly; exercise by Mable Anna Gembella and Evelyn Young; recitation, by Lucille Petterson; recitation, by Robert Richards and Roscoe Bierly; song by the choir; recitations by Lois Bierly and Leonard Young; quartette, Margaret Vandermost, Ada May Godfrey, Lilly Ludwig, and Gladys Dallman; song by the choir; exercise by Ivan and Amos Bierly; organ solo by Miss Grace McCormick; song by the choir.

A basket lunch was served after the program, the Pastor and his wife, Rev. and Mrs. W. L. Strange, being present. Instead of having the regular service in the evening, the pastor preached a very able sermon in the afternoon.

It is desired that there be a full attendance of the members of the school next Sunday as the matter of changing the hour will be discussed.

HIGH SCHOOL TO BE DISCONTINUED AT KINTON

The taxpayers of Kinton district were very well represented at the special meeting called by the school board last Friday evening.

The question as to whether the high school grades should be continued or abolished was almost unanimously carried in favor of abolishing them.

The matter of hiring two teachers was left up to the school board to decide. There are at this time forty pupils in the school, twenty-two in the upper grades and eighteen in the lower grades.

Mr. and Mrs. S. I. Nelson of Salina, Kansas, arrived Tuesday afternoon and will spend a few days visiting Mrs. Nelson's uncle, Mr. E. E. Swenson. The Nelsons are on their way to California.

The entertainment is under the auspices of the "Girl Scout Leaders' association of which Beaverton is a part. "Help support your home town Troup."

Patrol 2 continued with fire prevention.

County Phone Systems Merge

Five Independent Companies, Including Scholls Telephone Co. In Deal

(This story was mailed from Marshfield for us but did not reach us in time for publication last week. It always pays to get matter for publication in the publisher's hands early.)

Five independent Oregon telephone companies in this section of the state, including the Scholls Telephone Co. of Beaverton are included in a stock transfer, final details of which have just been announced.

Under the terms of this transfer, Mr. Charles Hall of Marshfield, president of the Coos and Curry Telephone Company, and Mr. Earl W. Gates, superintendent of that company, purchase all the holdings of the Hillsboro Telephone Company; a controlling interest in the Scholls Telephone Company; the Newberg Telephone Company, and the McMinnville Telephone Company, and a half interest in the Western Telephone and Telegraph Company of Forest Grove.

Mr. Hall and Mr. Gates have been associated in the development of the Coos and Curry Telephone Co. since 1914 and during that time have extended the operation of the company from Marshfield, with an original investment of approximately \$137,000 to include a 300-mile stretch along the coast from the Umpqua river in Oregon to Trinidad, California, with an investment now totaling approximately \$1,000,000.

In announcing this transaction, Mr. Hall and Mr. Gates say they will give the territory served the same standard of good service which has been responsible for the rapid development of the Coos and Curry Telephone company.

Mr. J. W. Raynard will continue as manager of the Scholls Telephone company which has 560 subscribers and operates a toll line between Beaverton and Scholls.

In the matter of the number of subscribers served, the Forest Grove company is the largest involved with 1,550 patrons and exchanges at Vernonia, Cornelius, Banks and Gales Creek besides the Forest Grove exchange. Mr. George Bauman is manager of that company.

Mr. Hall and Mr. Gates will be actively identified with the management and operation of the companies although the detailed control of the individual plants will be in the hands of resident managers.

Mr. Hall, in addition to being president of the Coos and Curry Telephone Co., is president of the American Bank of Marshfield, president of the Coos Bay Building corporation of Marshfield and actively identified with other large development projects in southwestern Oregon.

Mr. Gates is a telephone engineer and in fact a pioneer in the business. He has been superintendent of the Coos and Curry Telephone company since its organization.

Channel Swim Impossible for Woman Thirty Years Ago

CHICAGO—If Gertrude Ederle had lived thirty years ago, she never could have swum the English Channel.

This was the statement of Mrs. Martha K. Hicks, Chicago club woman, in an address here before a sociological conference.

"Trudi's victory was due to the evolution in the status of women," said Mrs. Hicks. "Thirty years ago tight fitting corsets, bustles and the multiplicity of garments constricted the body would have made it impossible for any woman to develop her muscles for such a marvelous swim. Moreover, if she had appeared in a modern abbreviated bathing suit, the police would have nabbed her before she started."

"Physical education in recent years has brought about a startling revolution in the place women now hold. Healthfulness is now the watchword where semi-invalidism was formerly the fad. Women remain youthful today because they go in extensively for outdoor sports instead of consigning themselves to saffra tea and knitting needles like their sisters of the nineties."

"Modern girls with their physical alertness, business efficiency, and self-reliance are as much an advance over the fragile beauties of a generation ago who swooned at the least excuse as the 'straight eight' powered by H-C gasoline is over the one-horse hack."
