## More School Buildings Proposed
## Bond Reduction Possible

As the taxpayers of our 18 grant land counties realize the great relief and how large is the sum coming to them through the enactment of the O. & C. Bill, they are planning new school buildings and an increase and betterment in the teaching staff.

EIGHT MILLIONS of dollars turned loose in Oregon this fall is almost unbelieveable, but this is a fact, thanks to the efforts of Robert N. Stanfield. In addition to this immediate cash payment, there is a tax reduction of 25 per cent. One has only to ask any school director of these counties to realize to the full the wonderful relief from the burdensome taxes the enactment of the O. & C. bill has permitted. This tax relief was only possible by the holding of the Chairmanship of the Public lands by Senator Stanfield. Further relief to be had through the Forest Reserve Lands can only be obtained by re-electing Robert N. Stanfield as Senator for Oregon.

Senator Stanfield proposes to apply this principle to the Forest Reserves, which will give every tax payer in Oregon an additional reduction of from 25% to 40 per cent. Or, in other words, will give Oregon an increased revenue of from 11 to 15 MILLIONS of dollars yearly, and for all time to come. With this substantial reduction in our taxes and bonded indebtedness, we may look for the immediate coming of Eastern capital and population, and an increase in the value of our own property. This additional revenue could eventually permit the repeal of all automobile, road and gasoline tax.

You were denied knowledge of legislation proposed by Senator Stanfield, because the Morning Oregonian has, and will sacrifice your best interests in order to wreak its vengeance on anyone daring to oppose its own aggrandisement. The people of Oregon are a free people, owing their allegiance to their God, their Country, and themselves and they will not submit to be ordered and dictated to by any selfish interest, no matter how powerful that interest or clique may be.

We who have been making homes in Oregon, establishing industries and pay rolls or working for wages, know how hard the struggle has been to make ends meet. There is only one hope for us, and that is relief from the excessive burden of taxation. Mr. Stanfield, the present republican senator, whose advice and counsel is sought, and respected by senators and President Coolidge alike, has been the only representative Oregon ever had who has been able to actually reduce taxes. He is the only man who can continue to do so, as he, and he alone can retain for Oregon the powerful Chairmanship of Public Lands.

Therefore, if you want to have the full benefit of reduction in taxation, and bring the full development of Oregon to pass with in your lifetime, you must forget party or personal likes and whims and retain Sen. Stanfield.

Oregon can suffer no greater disaster than the loss of the Chairmanship of the Public Lands Committee.

## Vote the Republican Ticket
STAND BY YOUR PARTY

**FREDERICK STEIWER**
**U.S.SENATOR**

Would you scrap Oregon's direct primary law? Would you surrender the important committee chairmanships now held by Senators McNary, Smoot, Oddie, Borah, Johnson, Jones, and Warren, all Western men? Would you repudiate the policies of President Coolidge?

The fight for the U.S. Senatorship is between the democratic nominee and Frederick Steiwer, republican. No Independent has ever been elected to the U. S. Senate.

If you believe in the direct primary—if you want the West to retain its power in national affairs by reason of republican control of the senate—if you believe in the policies of President Coolidge—

**VOTE 15 X STEIWER, FRED.**

**I. L. PATTERSON**
**GOVERNOR**

The republican party in Oregon is fortunate in having Mr. Patterson as its candidate for Governor. Successful business man and farmer, he is equipped to meet and solve the problems that will confront him as Governor. Economy, he has practiced in private life; economy, he will practice as Oregon's chief executive.

The only real pre-election promise Mr. Patterson is making is that he will not follow established precedent and spend the people's time and money traveling about the state making speeches.

If you want a governor who will be on the job attending to business—

**VOTE 18 X PATTERSON, I. L.**
