This age finds Camel worthy of leadership

THE people of this modern, busy age are always anxious to recognize quality, and they have placed Camel first among cigarettes.

Modern smokers have an experienced taste that quickly learns to know good tobaccos. Camel is their favorite, because they recognize in it the choicest tobaccos grown, blended to bring out their exquisite taste and fragrance.

Camel has won its way to the top in the hardest-to-please age ever known because it has the qualities of goodness that make smoking a pleasure. You will revel in the enjoyment of these cigarettes. No better smoke can be made.
