A GOOD PLEDGE

The Fort Pierce News-Tribune
printed at the head of its
editorial columns the Athenian
pledge, which meets so well the
situation today that it is well
to reproduce it that every citi-
zen of every community read
it, think upon it, and then make
a personal pledge. Once indi-
vidual citizens make this pledge
community problems will be
greatly reduced and easily
solved. The pledge is as fol-
lows:

"We will never bring disgrace
to this, our city, by any act of
dishonesty or cowardice, nor
ever desert our comrades; we
will fight for the ideals and sa-
cred things of the city, both
alone and with many; we will
revere and obey the city laws
and do our best to invite a like
respect and reverence in others;
we will strive unceasingly to
quicken the public's sense of
civic duty; that thus in all these
ways we may transmit this city
greater, better, and more beau-
tiful than it was transmitted to us."
