

HUBER MAN ENTERTAINS GUESTS FROM MONTANA

W. J. Alexander had a very happy surprise last week when Mr. and Mrs. W. J. Transham drove in quite unannounced from Bozeman, Montana, of which place Mr. Transham is postmaster.

The guests were delighted in every way with Oregon. Mr. Alexander had not seen his daughter for 23 years. Although it was in 1880 that he left Beaverton, and Mrs. Transham was a small girl, she still remembered many things that took place.

Despite the unfavorable weather, they enjoyed much sight-seeing, and met many old Bozeman friends.

The rain is causing a bit of worry to the farmers of this community. The onion crop is yet lying on the ground. The past ten days has been quite wet for harvesting. None of the potato digging has started yet either.

The Barnes school had an exhibit at the fair. There were nine girls who took first division sewing and one who took first division sewing, and one who took second division. Next year we hope to have a bigger and better display, as we know more about it. Our club finished 100 per cent, and Mrs. Lehnerr, our leader, was given a pin of achievement by Mr. Seymour, state club leader. The first month of school has passed, and we reported a 100 per cent attendance.

CHRISTIAN ENDEAVOR TO HOLD CONVENTION

The Washington County Christian Endeavor societies will hold their annual convention in the Bethel Congregational church of Beaverton on October 14th, 15th and 16th.

The Christian Endeavor leaders have planned an interesting program, but their success depends upon our cooperation. The convention banquet will be held on Saturday evening in the Church.

All local young people are cordially invited to all sessions of the convention.

ST. MARY'S WINS SECOND GAME OF THE SEASON

(From the St. Mary's World)

Victory again crowned the efforts of the Saints' speedy aggregation when the Saints succeeded in annexing another scalp to their belt of victories by crushing the Green and White warriors of Estacada High school.

With the same determined spirit that has characterized their former victories, the Saints crossed the Estacada goal line to tally four times.

The game started with the Saints kicking off of Estacada. The visitors, after failing to gain yardage, punted. After bringing the ball to the forty yard line, the Saints were held for downs, and punted to Estacada. The first quarter was a battle royal, neither being able to gain on each other until in the last few moments of the first period, when Fisher, on a long end run, brought the ball to the five yard line. On the next play, Kijowski crashed for the first score of the game. A try-for-point pass was incomplete, as Corcoran, on the receiving end, stepped out of bounds.

The second quarter opened up with the ball in Estacada's possession. On the first play they fumbled, however, and the Saints recovered. Estacada held for downs, and taking the ball, they punted out of danger. The Saints, by a series of line plunges and end runs, brought the ball to the twenty yard line, when a pass, Kijowski to Corcoran, netted the second touchdown of the game. The kick for extra point failed.

In the second half the Saints opened up an aerial attack that dazzled their opponents. In this period seven passes out of nine were completed, which resulted in two more touchdowns. Fisher starred again when he caught a pass from Corcoran, and sped sixty yards to the goal line, but was called back by the referee for stepping out of bounds.

The Estacada warriors struggled hard and fought bitterly to break up the passing attack, but were so completely baffled it was impossible for them to do so. When the final whistle sounded the score stood 25 to 0. The score indicates a one-sided fray, but the battle was bitterly fought. Hard tackling featured the entire game. Although closely contested, neither side was given a penalty. Estacada, though beaten, fought stubbornly through the entire melee, with the purpose in mind to score once at least, but could do nothing against the perfect defense of the Saints.

Turn the key! and your Buick is Double-Locked

No lock could be safer! One turn of the key locks both ignition and steering wheel. But merely turning off the ignition does not lock the wheel. You may shut off the engine and coast, if you like, and still have your car under perfect control.

And no lock could be more convenient! It is illuminated and located within easy reach, where the steering column meets the dash.

The Buick double-lock is an exclusive Buick feature—one of many important refinements which characterize Buick for 1928.
