OBITUARY

(Printed by request of relatives.)
Dorothy Louise Hawley, the daughter of Mr. and Mrs. H. H. Hawley of Beaverton, was born January 11th, 1913, at Greeley, Colorado, and passed away Wednesday, September 21st, 1927, at the Good Samaritan Hospital in Portland after a very short illness.

Besides her parents she leaves to mourn her loss, five sisters and two brothers: Mrs. H. A. Smith and Mrs. L. V. McCunsey of Portland; Ruthelby, Henrietta and Evelyn Hawley of Beaverton; D. R. Hawley, of Portland; R. L. Hawley, of Beaverton.

She came with her parents from Nebraska to Portland four years ago, entering the Peninsula school, where she made many friends among the teachers and pupils. One year ago she entered the eighth grade of the Aloha-Huber school, and last June graduated with the highest honors in her class. Louise was always very proud of the Aloha-Huber school, and dearly loved her teacher and class mates.

She was president of her class, also of the Home Making club, and of the World Wide Guild, a class of young girls in the Aloha-Huber Sunday school.

She had attended the Beaverton High school just one week before she was taken ill, but, in that brief time, had become greatly fascinated with her work and her teachers.

Louise was a true Christian girl, having been baptized in the Methodist Episcopal church several years ago.

She was always a leader among her associates, not in a proud or boastful way, but from a deep sense of duty and service. Always of a cheerful and loving disposition, she was an inspiration to all who knew her, and her sudden passing is a great shock and loss to the entire community.

Services were held at the Chambers Chapel in Portland, after which she was borne by six of her boy classmates, to her final resting place in the beautiful Riverview cemetery.

Typical of Louise's life was the little prayer song she loved so well to sing: "Lord, help me live from day to day"

In such a self-forgetful way that even when I kneel to pray My prayer shall be for—

OTHERS.
Others, Lord, yes, others,
Let this my motto be,
Help me to live for others,
That I may live like Thee."

SAINTS HOLD HEAVY TEAM TO TIE GAME

In a hotly contested game Saturday the light St. Mary's team held the heavier boys from Hill Military to a 6-6 tie.

The striking feature of the game was when Ed Fisher intercepted a pass and raced for about 60 yards down the field for a touchdown.

The battle had been in St. Mary's territory almost all the time, and looked like a losing game for the Saints, as the visitors were able to score in the first quarter, and held the ball almost continually in St. Mary's territory. They lost the ball on downs very infrequently during the entire game.

Hill Military was a very much heavier team than the Saints, and were able to make yardage, making practically all the yardage that was gained.

The Saints didn't resort to their usual shifty game, as two or three of their principal players were not in the best of condition. Fisher, who made the long run, was not put in until the second quarter of the game as he had an injured rib.

The light St. Mary's team was playing a team almost as good as they, so far as playing was concerned, and having the added advantage of weight. The final score, a 6-6 tie, tells the story of how speed and spirit held their own against weight and muscle.

LADIES AID PLANS CHURCH IMPROVEMENT

The Ladies' Aid of the M. E. church met last Wednesday afternoon with Mrs. Holcomb on Canyon road. A very business-like meeting was held.

Plans for the improvement of the church basement were discussed, and a committee appointed to investigate and decide what work most needs to be done, and report at the next meeting.

The meeting day was changed to the second and fourth Thursdays of each month.

Work was planned for a gift sale just before the holidays, to which sale they hope all members of the church will donate articles both attractive and useful as well as to help with the food sale to be held the last Saturday of each month at the Dew Drop Inn.

The next meeting of the Aid will be Thursday, October 27, at the home of Mrs. Virginia Cooper "in the yellow house" at Progress. All church members and friends of the church are most cordially invited. Watch this paper and store windows for announcements of the Food Sale.

Budget Committee Met Monday Eve

Councilmen Advise Them Of Amounts Necessary For Municipal Expenses

The City Council met Monday evening in conjunction with the previously appointed budget committee, for the purpose of outlining and approving of a running expense budget for the fiscal year 1928.

Unlike the usual order of Council sessions, the city executives gave place at the long table to the committee, composed of Messrs. L. R. Dean, Otto Erickson, James Pinder, C. E. Hedge, Jake Schmitt, and Dr. C. E. Mason, while they assumed the role of spectators until it came time for them to place their seal of approval upon the work of the budget outliners.

To facilitate the work in hand, however, their more experienced advice was frequently sought and usually acted upon.

Recorder Thyng had at hand the budget of the previous year, which could, constitutionally, be increased the amount of 6 per cent.

After a careful perusal of the various items, the members voted to raise the appropriation for streetlights from \$1,600.00 to \$1,700.00, and increase the emergency fund to \$396.88—a \$75 addition to last year's apportionment. These two amounts were concluded to be the most deserving of increase, and the committee expended practically all of the available budget-addition sum allowed by the 6 per cent limitation in an effort to bring them to their fullest possible strength and efficiency. A number of other items were debated as to the advisability of being granted an increase, but as curtailment of other department allotments would have been necessary to achieve this, no other raises were ordered.

The municipality will operate under the following budget for the fiscal year 1928.

Marshall's salary	\$150.00
Recorder's salary	\$300.00
Attorney's salary	\$150.00
Street lights	\$1,700.00
Printing	\$50.00
Fire department	\$100.00
Library	\$250.00
Sinking fund—water bonds	\$1000.00
Interest on water bonds	4,745.50
Emergency fund	\$396.88
Total	\$8,842.38

Mr. Edward Gill, of the Gill Seed Co., had a wonderful display and demonstrated the cutting of the bulbs for planting. He gave much useful information on their care and cultivation.

There was a very large attendance, many of whom were not members of the Grange.

The home economics committee should be given a good deal of credit for their work.

Each member had been asked to earn a dollar to be applied on the debt for the enlargement of their building. Much merriment was provoked when various ones told of the ways and means that they had used.
