IMPAIRING THEIR SAFETY

Sunday, October 16th—Billy Hocken received a superficial gun shot wound in the head from a 22-rifle in the hands of Junior Millet. Fortunately the bullet struck the side of the head in a glancing manner and passed on out. A deviation of 1 inch or less would have lodged the ball in his brain.

Tuesday, October 18—Vincent Olson of the Hiteon district south of Beaverton, had his leg amputated below the knee Tuesday. Sunday, October 2, while he was out with some other boys hunting, a shot gun in the hands of one of his companions was accidentally discharged. The muzzle of the gun was close to Vincent's leg, and the injury to the leg was so severe that it could not be saved. The operation was performed at the St. Vincent hospital.

At the same time that Vincent is in the hospital, two other boys are there from other communities with similar injuries. One boy has a shot gun wound in the leg, and an amputation of his limb may also be necessary. The other boy was shot in the neck. His collar bone was shattered, and the bullet is lodged down beneath his shoulder blade. A serious operation for him no doubt will be necessary.

With these things happening so often, it would seem that parents should consider very seriously as to whether a young boy be allowed firearms before he has arrived at an age of responsibility.

If Beaverton's water situation remains in a tangle much longer we may be able to sigh in sympathy with the lament of the Ancient Mariner—"Water, water everywhere nor any drop to drink."

A stranger in town last week "did not choose to run" while crossing the street. One less Republican vote in 1928.

BOARD OF VIEWERS APPOINTED BY COURT

John Trachsel, Thomas Connell, and County Surveyor Earl Hobbs have been appointed by the Washington county court as members of a board of viewers for a proposed county road project which a petition, filed last Wednesday, is asking be constructed in Bruegger acres in the northeast corner of Washington county. The viewers are to meet October 12 to inspect the project.

Sunday was a day of unusual happiness in the home of Mary E. Reeves when her children and their families gathered to celebrate her seventy-ninth birthday anniversary.

We anticipate a proud record to be made by the Cedar Mill unit of the county base ball league for the coming season. Our boys, without confederation, made a splendid showing the past summer. The new Lost park field is being rapidly shaped into standard form and being completely surrounded by shade treet, will make an ideal place for this sort of sport.
