The Hood River Apple association has shipped 572 cars of apples on Thursday, Jan. 12. Mrs. L. H. Hesse and Mrs. H. L. Flint are the program committee for January.

See the
New Chevrolet
now on display!

Today, Chevrolet presents the crowning triumph of sixteen years' continuous progress—a great new automobile so impressive in appearance, performance and staunchness that it marks the opening of a new era of luxurious transportation at low cost.

Built on a 107-inch wheelbase—4 inches longer than before—the Bigger and Better Chevrolet is impressively large, low and racy. Its new Fisher Bodies are finished in new Duco colors and offer rich new upholstery and handsome appointments. Its improved valve-in-head engine has numerous impressive features such as alloy "invarstrut" pistons, hydro-laminated camshaft gears, mushroom type valve tappets, AC oil filter and AC air cleaner. The chassis also has been redesigned. As a result, the new Chevrolet provides delightful smoothness throughout the entire speed range—a wide margin of power for hills—

click-of-the-heel acceleration—the ability to maintain 50, 55 and 60 miles an hour without the slightest sense of forcing or fatigue—the safety of four-wheel brakes—the steering ease that can only result from a ball bearing worm and gear steering mechanism—and comfort over all roads at all speeds due to semi-elliptic shock absorber springs—84% of the wheelbase.

Come in—see the car—and learn how Chevrolet has again electrified America by creating a bigger and better motor car and offering it at prices so low as to be actually amazing!

Every feature of advanced design demanded in the finest cars now offered in the New Chevrolet! Read this partial list.

Improved valve-in-head motor.	Safety gasoline tank at rear. Larger balloon tires 30" x 4.50".	Improved Delco-Remy Distributor ignition.
New stronger frame 4" longer; wheelbase 107".	New streamline bodies by Fisher.	Combination tail and stop light.
Thermostat control cooling system.	Alumite pressure lubrication.	Large 17" steering wheel, spark and throttle located at top.
New alloy "invarstrut" pistons.	New Duco colors.	Fisher "V" one-piece shield on closed models.
New instrument panel, indirectly lighted.	Theft-proof steering and ignition lock.	Automatic windshield wipers on closed models.
New two-port exhaust.	AC oil filter.	Semi-floating rear axle and 4-Wheel Drive.
New ball bearing worm and gear steering.	AC air cleaner.	
Semi-elliptic shock absorber springs 84% of wheelbase.	Single-plate dry disc clutch.	
	Heavy one-piece full-crown fenders.	
	Vacuum tank fuel supply.
