George Hoover returned home the first of the week after taking in the session of the older boys' conference of the Y. M. C. A., held in Eugene last week.

A belated flock of wild geese was seen going south the first of last week. The bad storm was too much for them. They chose to seek a warmer climate.

August Obrist of Gresham visited at the home of Mr. and Mrs. August Dallmann, Sunday. Mr. Dallmann, who was a guest of his daughter, Mrs. Obrist, for a few days last week, returned home with Mr. Obrist.

Our mail carrier, W. C. McKell, came out on his route last Tuesday after the bad storm, and made his rounds all right. He had as his able assistant, Frank Hoffman, who is an employee of the Beaverton post office.

Earl Ritzman and Mr. Webber chicken experts from O. A. C. and Mr. Brooks, who is employed in Russell's hatchery at Corvallis, enjoyed a trip around the poultry farms of J. J. Van Kleeck and sons, Pleasant Valley road, Friday.

F. A. Bucher and William Van Loh were in Portland Saturday. On their return they were accompanied by Mr. Bucher's daughter, the Misses Ida and Rosa Bucher, who spent the week end with their parents. A fine birthday dinner was served in honor of Miss Ida.

It is earnestly hoped that every member of the Kinton Bible school be present at the session of the school next Sunday, as matters of interest will be discussed. The school is in a very prosperous condition; the annual report shows 20 enrolled and a neat little sum in the treasury for the year's work.

John Heaton of Scholls spent Saturday in town, and took in the session of the local grange. A fine dinner was served at noon. During the session two applications for membership were balloted favorably, and Charles Kulbel was elected for a three year term on the executive board, to succeed Frank Fluke, whose term expired.

The cold spell of last week did considerable damage to the water systems on some of the ranches in the community. In a number of homes the pipes froze and broke, but are being put back in shape again. The telephones also came in for their share of trouble, caused by the silver thaw, and some of the lines are still out of commission.

The Dodge Brothers' "Victory Hour" program which was broadcast last Wednesday evening over the wires of more than 50 broadcasting stations, was heard by many in this town. It is needless to say that it was greatly enjoyed by all. Will Rogers is all right, but he could not fool the Kinton folks by making them think he was President Coolidge.

LADIES' AID

Ladies' Aid, which was postponed on account of the weather, will be held at Mrs. Bartlett's on Jan. 20th. The Aid will hold a cooked food sale Saturday at Rowell's store. Mrs. M. M. Reid will be in charge of the sale.

Mr. and Mrs. L. W. Crowder, who are visiting California, report that though they encountered snow in the mountains, enroute, the weather, as well as the water, is delightfully warm at Manhattan Beach.

Mr. and Mrs. J. E. Stretcher and family attended the cinema production of "Ben Hur" in Portland Sunday. They report that it is a wonderful picture and also that the 30-piece orchestra played some wonderful selections, among others, the aria, "The Dance of the Hours," from the opera, "La Gioconda."

Again 
the Greatest Sensation of
America's Greatest Industry

Again, Chevrolet has created an automobile so far beyond all expectations in the low-price field that it constitutes the greatest achievement of America's greatest industry.

Built on 4-inch longer wheelbase—offering numerous improvements in performance, beauty and safety—the Bigger and Better Chevrolet marks a spectacular epoch in the development of luxurious transportation at low cost.

The engine is of improved valve-in-head design with alloy "invar strut" pistons . . . hydro-laminated camshaft gears . . . mushroom type valve tappets . . . AC oil filter . . . AC air cleaner and a new crankcase breathing system.

Throughout the entire car similar

advancements are represented—from the four-inch longer wheelbase and the new semi-elliptic shock absorber springs—84% of the wheelbase, to the marvelously beautiful new Fisher bodies in new Duco colors.

Come in and drive this great new car. Drive it through traffic—and get the thrill of its darting pick-up . . . the smooth, certain action of its non-locking four-wheel brakes! Drive it on the open road—and test every point in the speed range for smoothness and roadability! Try it on the hills—and learn the true meaning of Chevrolet power!

Do that—and you will agree with thousands of others that here is the world's most luxurious low priced automobile.

Every feature of advanced design demanded in the finest cars now offered in the New Chevrolet! Read this partial list.
