Local Ball Squad Throws Benefit Hop

Huber Hall Scene of Big Dance Sponsored By Members of Team

NEAT SUM CLEARED

Profits From Function To Be Used In Purchasing Equipment

The members of the Beaverton baseball squad sponsored a benefit dance Saturday night, March 24, at Huber Clubhouse. A n orchestra of violin, xylophone, piano, banjo and traps provided music for the knights of the diamond, their fair partners and patrons of the function.

Inspired by the snappy numbers of the harmony-makers, the followers of Terpischore brought out their best brand of fantastic-toe performance, and all present were soon joining in the evening's gaiety. Increased color was added to the scene by the vari colored streamers that had been hung from the lighting fixtures.

A demonstrator of the much-heard-of greasiness doughnuts was present, and at the intermission for refreshments, augmented the lunch served with his pastry offerings.

The team members announce that after all obligations incurred have been met they will have a profit of more than thirty dollars to add to the exchequer of the club. This amount will go to purchase needed equipment for the coming season.

With the successful and profitable evening now behind them, the boys have turned to the serious work of rounding into playing form, and on Thursday night, March 29, began their practice sessions. A call for volunteers has been sounded, and it is confidently expected that each succeeding evening of work-out will call forth new material. There is an opportunity for any local ball enthusiast to make a place for himself on the squad, as no positions will be definitely assigned until later in the season, after every member has been given a chance to prove his ability, declare those in charge.

Rosedale School Has Social and Program

Rosedale, March 28, (Special) The basket social and program held last Friday evening, March 23, at the Rosedale school was declared by those in charge and the ones attending to be a huge success both financially and socially.

The fact that \$101.85 cents was cleared from the sale of the baskets and an evening of pleasure was enjoyed by those present speaks well of the efforts of the committee in charge. Mr. Durbin had charge of the refreshments, and Mrs. Durbin, assisted by members of the Hillsboro Chamber of Commerce, took charge of the program for the evening.

Robert Day, of Beaverton, was the auctioneer. Sugar and coffee was donated by Mr. Conolly of the Beaverton 20th Century store. Members from many of the surrounding communities were in attendance at the festivities.

STATE LIME PLANT NOW ABLE TO SPEED DELIVERY

Hillsboro, Ore., Mar 28, (Special) Ground limestone from the State Lime Plant is available for quick delivery this year as arrangements have been made by the plant to keep stored supplies on hand. Delivery has been made within four to six days after ordering carload lots.

The county agent now has a few pooled orders on hand for delivery at Sherwood, Forest Grove and Hillsboro, but not enough to make a carload at any one point.

The price of the State lime in pooled orders is \$8.45 per ton f. o. b. cars at the above points, \$2.00 per ton will be refunded when the sacks are returned in good condition.

The greater part of the lime shipped into the county is used on alfalfa land at the rate of one ton per acre applied on the plowed ground and worked into the soil by harrowing.

Dean, Hedge and Thynge Called As Witnesses

L. E. Dean, C. E. Hedge and George Thynge were called to Hillsboro last Monday as witnesses in the John Barron case. Barron was indicted recently by the grand jury for violation of the prohibition law. After numerous witnesses from Cooper Mountain, his home, and those from Beaverton were heard, the case was given to the jury without argument. The veniremen after short deliberation brought in a verdict of "not guilty."

Mrs. Emma Bryant, who was endorsed recently by the Washington county Teachers' Association for re-election to the office of County School Superintendent.

Bethel Church Gives Southern Style Dinner

The old-fashioned Southern dinner given Friday evening by the ladies of the Bethel Congregational church was unanimously acclaimed a decided success. The menu of baked ham, sweet potatoes and corn bread, together with the boys acting roles of colored waiters, was quite in accordance with the legendary repasts and genial hospitality that is associated with the land of Dixie. Milton Foring, Frank Baru, Kenneth Wood, Vernon Mapes, Mansou Bennett, Richard Wilcox, Clarence Boss, Don Jackson, Monroe Shannon and George Hoover were the gentlemen of color engaged in the task of bearing in the viands.

A program, immediately following the dinner, was started with a congregational sing of old time Southern ballads. Mrs. A. Anderson and Willis Cady rendered a piano duet. Lyman Webb gave two recitations. Mr. and Mrs. E. G. Webb and Mr. and Mrs. W. H. Boswell, accompanied by Mrs. R. C. Duty and Shelley's "De Coppa" Moon, and Mrs. L. L. Meyers gave a reading. The Bethel Orchestra completed the program with several Southern melodies.

Court Appoints Local Men Estate Appraisers

The county court has appointed F. W. Livermore, Sr. C. E. Hedge and Guy Alexander as appraisers of the estate of the late Katherine M. Spruner, who was killed in an automobile accident February 22nd in Portland.

The appraisers met in the office of Hare, McAlear and Peters on last Saturday, March 24 to take up their duties. Violet Spruner Rodman, the only child, by the terms of the will, is the sole beneficiary. She is also executrix of the will.

Ladies of Huber Have Silver Tea Friday

Huber, Ore., Mar 28, (Special) The Huber Ladies Social Improvement club was entertained at a Silver Tea Friday afternoon at the home of Mrs. Robert Chamberlain. Plans were made to have a motion picture benefit the first week in April. Flowers were sent to the sick. Sandwiches, cake and coffee were served by the hostess.

Daphne Club Guests At Birthday Party

Mr. and Mrs. V. A. Wood entertained at a dinner and 500 party on Friday evening, honoring the birthday of Mrs. W. C. Cauthers of Portland. Mrs. Cauthers was presented with a lovely jardiniere.

Those present were the members of the Daphne club and their husbands and Mr. and Mrs. F. M. Lassiter, Mrs. Lassiter and C. C. Ralph won the honors and Mrs. S. B. Lawrence and W. C. Cauthers the consolation.

County P.T.A. Holds Convention Saturday

Busy All-Day Session At Dilley School Staged By Organization

GIRLS SERVE LUNCH

Gales Creek Tenders Invitation To Hold Next Council There

The Washington county Parent-Teacher Council was held at Dilley, Saturday, March 24, in an all-day session. Representatives from all district associations of the organization were in attendance at the meeting.

Order was called at eleven o'clock by the president, Mrs. Johnson of Icedville, and the entire gathering joined in singing "America." Mrs. Emma Bryant, county school superintendent gave a short talk on the song composed by Mrs. Agnes Hines—a song written especially to boost Washington county—and urged the Council to adopt the melody as a club and booster song, and to purchase copies of it. This was put to vote and carried.

The minutes of the previous meeting were read and approved. In the absence of Mrs. Harry Sidwell, the treasurer, no report was read on finances. Reports were given from Aloha Huber, Garden Home, Reedville, Gales Creek, Dilley and Halvick regarding the work of the association at those places. Raleigh is a new club and was taken into the Council on Saturday. A report on the Service Shop was given by Mrs. Jess Hayes, of Aloha.

The nominating committee reported the following candidates for election: President, Mrs. Sargent, Gales Creek; 1st Vice-President, Mrs. Wallace, Raleigh; 2nd Vice-President, Mrs. R. Chamberlain, Aloha; 3rd Vice-President, Mrs. Fish, Forest Grove; Secretary, Mrs. Webb, Dilley; and Treasurer, Mrs. Langdon, Garden Home.

In an address to the members, Mrs. Johnson, the president, thanked them for the beautiful flowers and plants sent her during her illness recently.

The Senior class of Dilley high school served a very bounteous repast at luncheon time.

Included in the afternoon session was a program of songs and readings and a short health playlet by students of Dilley school.

Mr. Bailey of Portland addressed the body on the subject of free text books, and Loyal Graham of Forest Grove spoke briefly.

Before adjournment, the invitation tendered by Gales Creek to hold the next meeting at that place was accepted. This meeting will take place in May.

EXPRESSION OF THANKS

The Rosedale school board, teacher, pupils and committees wish to thank the people of Beaverton for their assistance at the basket social held March 23.

Special thanks is due Mr. Conolly, of the 20th Century store for coffee donated and to Robert B. Day, who so amiably auctioned off the baskets. Mrs. C. L. Durbin, Chairman

Review Office Displays Blooms of Local Grower

The Review staff are the grateful recipients of two magnificent bouquets that were brought to us Wednesday by George Baker, the senior member of George Baker and Son, local flower growers. A collection of golden daffodils share honors with an equally gorgeous bouquet of narcissus in the front office of the Review plant, now and are the focal point of interest to all visitors.

Mr. Baker states that he has been able to successfully grow the daintily colored narcissus with as many as ten blooms on a single stem.

Ex-Service Men Are Legion Guests Here

Boxing and Wrestling Card Features Meeting Of Hillsboro Post

FIVE BOUTS STAGED

Feed of Ham Sandwiches And Doughnuts Follows Smoker

The regular meeting of the Hillsboro American Legion post was held Tuesday evening in the I. O. O. F. rooms in Beaverton. A brief business session was held, followed by a boxing and wrestling program.

Post Commander Charles A. Jones presided at the business session of the post, and introduced J. W. Valliant, service officer of the department of Oregon, who addressed the members. Mr. Valliant pointed out a number of pertinent facts of interest to ex-service men regarding their rights in case of injury or death. He stated that every ex-service man was entitled to a military funeral, entailing an expense of \$100 and \$7.00 for a flag drape, and adequate hospital expenses if he were sick or injured. Mr. Valliant also pointed out that the State Loan regulations permit an ex-service man to refund the amount of exchange get the loan. The members were informed that Victory Medals and Oregon State medals might be had upon application to their local post.

The curtain-raiser of the smoker was a three-round boxing match between Harold Dean and Alfred Johnson, Beaverton high school lads. Despite the fact that their footwork was hampered by the wrestling mat used as a ring, the pair both packed the scrap with action and kept the leather flying. They were given a draw decision.

Butler and Thomas, grandsons of the Treged Athletic club, went ten minutes without either getting a fall and the bout was called a draw.

"Red" Lindow and "Snosee" Halsten put on a five minute clown bout that might be termed a "kick in the neck," but in view of the fact that claret flowed when Halsten stopped one of Lindow's rushes with his head, "neck" might be misleading. The headline match of the evening was a go between Miles Kent, high school bone-crusher, and Harry Johnson, the mauling mechanic. The fracas was slated for 15 minutes or the best two falls. Kent took the first fall at the end of a violent seven minutes, and after a rest period, won the bout by flopping Johnson a second time. The two behemoths were evenly matched for strength and got a good hand from the fans.

Following the mat engagements, chow line was formed and a feed of ham sandwiches, doughnuts and coffee was served.

The hall was filled with Legion members and their guests, present to enjoy the evening program.

Last Friday T. J. Allen received word of the death of a brother in Portsmouth, Ohio. Mr. Allen states that in 1887 this brother went to work for the Adams Fire Brick Co., and worked the first three years at 90 cents for a ten-hour day. For 31 years he has had charge of 26 brickmaking plants, and when he passed away he was a wealthy man.

Hal E. Hoss a recently announced candidate for Secretary of State on the Republican ticket in the coming primaries. Mr. Hoss resigned his position as secretary to Governor Patterson, in order to enter the race. He is favored by the Oregon Editorial Association and various other publishers' groups in Oregon.

Experiment Station To Hold Narcissus Day

Hillsboro, Ore., Mar. 28, (Special) All persons interested in bulb culture are cordially invited to visit and inspect the Linn Experiment Station plots on the special bulb day that has been set for Thursday, April 12, at O. S. C.

Beginning at 10:00 a. m. and on through the day, there will be attendants on duty who will explain the experimental work being conducted.

Visitors who know the location of the plots may come directly to the farm. The plots are on the same farm as last year, but in a different field about 1/4 mile from the barn. Others may inquire at Room 235 Agricultural Building on the campus for direction to the field.

The following are the points of interest that will be under discussion and observation:

1. Effect of hot water treatment in growth of Narcissus.
2. Treatment for Nematode control.
3. Narcissus Grey disease.
4. Treatments for greater and lesser fly control.
5. Tulip experimental plots.

A small collection of Eschous iris, showing variable amounts of the mosaic disease will be available for inspection.

Three or four auto loads of local bulb growers are planning to go to Corvallis in attendance at this field day. By starting at 7:00 or 7:30 a. m., plenty of time is allowed to arrive at the O. A. C. experiment ground by 10:00 a. m.

Beaverton Boys Form Hi-Y Club Here

The installation of a Hi-Y club for Beaverton high school boys was held Monday evening in the parlors of the Bethel Congregational church.

Mr. Tibbets, of the Portland Y. M. C. A., assisted by the boys of the Hillsboro Hi-Y conducted the installation service. About 15 boys from Hillsboro were present.

A program followed a lunch of sandwiches, coffee and cake. Talks were given by Mr. Tibbets and James Palmer of the Portland Y. M. C. A., advisor of the Hillsboro club, Rev. MacNeil, I. R. Metzler and F. J. Deitsch.

The following officers were chosen: advisor, E. G. Webb; president, Milton Boring, vice-president, Frank Buru; secretary, Vernon Mapes, and treasurer, Gordon Wilcox.

The Hi-Y club is a national organization of which there are 270, members. There are ten members enrolled in the new Beaverton club.

Newcomer Here Sets High Churning Mark

Mrs. J. F. Bennett, who was born and raised on a farm back East in Ohio, but who is now situated at the home of H. C. Schoene, near Beaverton, churned three pounds of butter at one separation of cream recently, she stated, while paying the Review office a brief call.

She says that it has been 28 years since she made that "hit" of butter making. The money derived from the sale of the churning will go to help pay the preacher.

Council Still Mulls City Water Problem

Report Shows That Pipe Line Shift Will Not Be Expensive As Feared

WATSON ST. GETS TILE

Robinson's Report On Condition Of Meter Not Yet Made

The Beaverton Council convened Monday evening at the City Hall and resumed the task of water discussion where it was left at the adjournment of the previous session.

The committee composed of Aldermen Alexander and Manning reported that they had investigated the question of relaying pipe line along the new Canyon Road in conjunction with Engineer Haines, who has charge of the road project in this vicinity, and they stated that it would be necessary to move only 1,500 feet of line, and possibly this distance could be reduced another 100 feet. It was moved that the committee prepare an estimate of specification in order that bids for the work might be received with all possible dispatch. The entire Council plans to survey the scene of the relaying operations. They will endeavor to find the possibilities of a plan to make the digging of a new pipe bed through a cut to be made by the new right of way subsequent to the operations of the road builders, and thus curtail no little expense. Another place in the line is said to embrace a swamp that may have to be left until dry weather allows the operations to be carried on there.

The report of the condition of the Bull Run meter was not presented, due to the absence of Engineer Robinson.

At the preceding session a damage claim of \$50 for a flooded basement was taken under advisement, and it was voted at the last meeting to install 12-inch drain tile under the intersections of 1st and 2nd streets, and, if necessary, 3rd street, at their intersections with Watson st. to carry the drain from property in that section of the city.

Comparative costs of piping for the proposed drain to care for the properties of G. P. Fordney and H. M. Hughton—running a line from the present highway, and carrying the drain from Broadway to the south side of the new road—were submitted by Aldermen Manning and Alexander. The matter was left in abeyance, however, until a more comprehensive report on pipe prices could be presented.

A suggestion to re-open negotiations with the Oregon-Washington Water company, was discussed with the view of getting water from them at wholesale rates at the city limits.

The meeting was then adjourned, to be reopened at the regular monthly session on Monday evening, April 2nd.

Barnes School Pupil Injured In Tumble

Earnes, March 28, (Special) Little Elmer Chin, one of the first-grade pupils at the school here had a bad fall upon the slippery porch last week. The child, in falling, struck his head upon one of the posts of the porch.

The yard and porch are very slippery from so much clay mud, caused by the recent construction work, and makes the footing about the school very uncertain at this time. The accident was caused by this condition. Elmer was taken to his home following the accident by Curtis Johnson.

New Clock Purchased For Barnes School

Barnes, March 28th, (Special) Mr. Van Buren, a very much interested patron of our district, offered to purchase something for the new school. He first suggested a flag, but as we had earned one for a 100% attendance at the county fair, Mr. Van Buren purchased a fine Seth Thomas clock. It exactly matches the woodwork, and means a great deal to us all.

Novel Musical Numbers In Nazarene Services

Rev. H. J. Ranton from Yakima, Washington, and his brother, pastor of the Methodist church at Independence, Oregon, led a interesting and profitable service at the Nazarene church Monday evening, March 26.

One brother preached and the other gave several selections of skilled musical art on a hand-saw, a mouth organ and a violin. They may return for a service next week.

A \$50,000 flying home is to be built at Union and Halsey streets, Portland.
