**TO THE VOTERS OF THE REPUBLICAN PARTY IN THE TWENTY-FOURTH SENATORIAL DISTRICT** comprising Washington, Yamhill, Lincoln and Tillamook counties:

I ask your support at the primary election, May 18 for the nomination for state Senator from this district.

Fair distribution of representation in the Senate should give this position to the coast counties, Washington and Yamhill counties each have a Senator.

My continuous residence in Yamhill and Tillamook counties for the past 48 years, combined with my experience in the House in 1919 and 1920, and in the Senate in 1921 and 1923 gives me a knowledge of the needs of the district and of legislative problems which will be valuable in this position.

If nominated and elected I will support such measures as are necessary for the advancement of the necessary activities of the state, keeping in mind that any provisions made for such advancement must be consistent with the state's ability to pay. Also, I will give assistance to what seems to me the best plan offered to produce a more equitable distribution of the tax burden of the state and local governments. The State of Oregon and its various subdivisions are struggling under a burden of debt which should be measurably reduced.

C. J. Edwards, Tillamook, Ore.

Mrs. Elmer Stipe and Mrs. Robert Summers visited Mrs. Frank Peck in Hillsboro Tuesday afternoon.

**Always... a square USED CAR deal from the Buick Dealer**

The Buick dealer is in business to stay. His future reputation depends upon his treating used car buyers fairly.

He wants to please used car purchasers because he knows that satisfied used car customers are prospective new Buick buyers. The man who buys a good used car—honestly represented—at a fair price—receives splendid value in transportation.

In his enthusiasm for the car he has bought, and the value he has received, it is only natural for him to look upon the dealer as his friend.

The Buick dealer has many such friends because he represents the true condition of the used cars he offers for sale.

And that is good business—for the Buick dealer, as well as the used car buyer.
