De-Appetizing Thought

"I don't see how you can afford to take so many girls to expensive restaurants."

"That's easy. I always ask each girl, just before we go in, if she hasn't been putting on weight."—London Tit Bits.

Still a Secret

"Oh, dear, I feel so miserable."

"What's the matter, dear?"

"Miss Tabby told me a secret and I can't remember what it was."

The Thoughtless Wife

"What caused the accident?"

"His back-seat driver hadn't said anything for a couple of minutes and when he looked back to see if any thing was the matter with her the car smashed into a pole."

Quite a Job

"Sundries, eh? Etcetra—hum. Items—ugh," the man was muttering.

"What's up?" asked the handy interlocutor.

"I'm auditing my wife's budget."

WHAT DR. CALDWELL LEARNED IN 47 YEARS PRACTICE

A physician watched the results of constipation for years and believed that no matter how careful people are of their health, diet and exercise, constipation will occur from time to time. Of next importance, then, is how to treat it when it comes. Dr. Caldwell always was in favor of getting as close to nature as possible, hence his remedy for constipation, known as Dr. Caldwell's Syrup Pepsin, is a mild vegetable compound. It can not harm the system and is not habit forming. Syrup Pepsin is pleasant-tasting, and youngsters love it.

Dr. Caldwell did not approve of drastic physics and purges. He did not believe they were good for anybody's system. In a practice of 47 years he never saw any reason for their use when Syrup Pepsin will empty the bowels just as promptly.

Do not let a day go by without a bowel movement. Do not sit and hope, but go to the nearest druggist and get one of the generous bottles of Dr. Caldwell's Syrup Pepsin, or write "Syrup Pepsin," Dept. B, Monticello, Illinois, for free trial bottle.

"Whenever I get tired, weak and all run down, or my strength all gone, I take a bottle of the 'Golden Medical Discovery' and it brings back my strength, builds me up and makes me feel like a new person. It not only acts as a tonic but enriches and builds up the blood. I always recommend the 'Golden Medical Discovery' as a tonic and blood enricher."—Mrs. J. J. Kross, 623 N.
