## Fifty-Fifty for Dumbness.

He—A man isn't so dumb that he thinks he can get a No. 4 foot into a No. 2 shoe.

She—Maybe not, but he'll marry a woman confident he is going to boss her.

## A Fine Comeback

Husband—Didn't you throw your hat in the ring for presidency of your club?

Wife (sarcastically)—I couldn't, dear; it was out of style.

## WATER ALREADY IN

Motorist (beginner)—"Can't you put

a little water in the car, dear?" Wife (who hasn't begun yet)—"Oh, I knew there had to be water and I've put a large bottle full under the seat."

## Seemed Appropriate

Mrs. Newed—George, dear, your "den" is all ready—but don't you think there ought to be a motto? What would you suggest?

And "George, dear" revealed himself for a perfect brute by suggesting, "Don't shoot your husband! He's doing the best he can!"

Not Always  
Wife (sadly)—You don't love me any more.  
Husband—Most certainly I do.  
She—Then why do you rush off to the club?  
He—My dear, absence makes the heart grow fonder, you know.

## Proof Enough

"What makes you think he is crazy?"  
"He sold his garage and is going to open up a harness shop."

## WRONG RENOVATION

Maggie—"He thinks their marriage needs renovation." Jennie—"Well,

she has just left for Nevada to Re-novate it."

## Just Plain

Lady in Department Store—May I see some trunks, please?  
Luggage Salesman—Do you prefer the plain ones, madam, or shall I show you some of our new metal trimmed, indestructible, camp or running board type?  
Lady—Just plain ones, I guess. My husband wants to wear them swimming.

## When Food Sours

Lots of folks who think they have "indigestion" have only an acid condition which could be corrected in five or ten minutes. An effective anti-acid like Phillips Milk of Magnesia soon restores digestion to normal.

Phillips does away with all that sourness and gas right after meals. It prevents the distress so apt to occur two hours after eating. What a pleasant preparation to take! And how good it is for the system! Unlike a burning dose of soda—which is but temporary relief at best—Phillips Milk of Magnesia neutralizes many times its volume in acid.

Next time a hearty meal, or too rich a diet has brought on the least discomfort, try—

## Help Kidneys By Drinking More Water

Take Salts to Flush Kidneys and Help Neutralize Irritating Acids

Kidney and bladder irritations often result from acidity, says a noted authority. The kidneys help filter this acid from the blood and pass it on to the bladder, where it may remain to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread; the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it because they can't control urination. While it is extremely annoying and sometimes very painful, this is often one of the simplest ailments to overcome. Begin drinking lots of soft water, also get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast. Continue this for two or three days. This will help neutralize the acids in the system so they no longer are a source of irritation to the bladder and urinary organs, which then act normal again.

Jad Salts is inexpensive, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by acid irritation. Jad Salts causes no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink which may quickly relieve your bladder irritation.
