SOPHS HOLD THE LEAD IN THE ANNUAL DRIVE

The sophomore class still clings to a gradually diminishing lead in the subscription drive for the annual. They took the top position on the first day and have held it ever since. However, the junior class has been drawing closer to the leaders until at the present time they are but two subscriptions behind.

While the sophs and juniors have not changed places during the drive, the seniors and freshmen have, putting up a lively fight in the lower bracket. At present the seniors are in third place with lead of one lonely sale, while the fresh occupy the cellar but vow that the next report will find them ahead again. The two have changed places at each report so far.

Individual honors so far belong to Jake Koenig, Paul Shellenberger, who won last year, and Lucille Johnston, a freshman. Each of the three has sold out one book of coupons and started on the second.

The drive has been halted temporarily until after the student body play, when it will be resumed for two weeks. After that the price of the annual will rise from \$1.00 to \$1.25.

"Why sure."
"Well, you ought to know the feeling. You've been on a thousand times before."

DIAGNOSED
Teacher—If I gave you a big red apple and you gave Robert seven-eighths of it what would you have?
Tommy—Some kind of disease in my brain.

ONE MORE
Sennett—Just because I held 13 spades four times in succession all seven of them thought I was cheating.
Grimshaw—And if I had been there eight would have thought that.

TERRIBLE ERROR
Reggie—Did somebody hit you on the mouth?
Archie—Why, no. Where's the mirror? I—well, for heaven's sake! I used Mae's lipstick on my mustache instead of her eyebrow pencil!

3 GLASSES OF WATER HELP CONSTIPATION

One glass of water is not enough—take three glasses one hour before breakfast. Much better results are obtained by adding a teaspoon of simple glycerin, saline compound (known as Adierka) to each glass.
Adierka acts on BOTH upper and lower bowel and removes old waste matter you never thought was in your system. Stops gas and sour stomach in TEN minutes! Relieves constipation in two hours. Dean's Drug Store. Adv.
