More Boys Planning to Make Buchanan's Alaska Tour

BUCHANAN'S BOYS AT LAKE ATLIN, B.C.

BUCHANAN DRIVES A DOG TEAM

George E. Buchanan, sponsor and backer of boys to Alaska, is planning to take 50 or more to the great United States' possession the coming summer. Buchanan, who is president of the Detroit Coal Exchange and five coal companies and a bachelor, believes that a trip to Alaska, provided a boy partly earns his way, will be a wonderful formative incident in his life. He has already taken 300 boys to Alaska, and this will be his seventh annual personally conducted tour. The boys, ages 9 to 17, must earn one-third of the cost of the trip (\$125.00); the parents advance a third and Buchanan loans the boy one third, which is to be repaid later at the boy's leisure.

Buchanan, who gets letters from all over the United States and Canada addressed "Alaska, Buchanan, Detroit," and "Buchanan, Boy's Friend, Detroit," tells the boy who writes to him direct from anywhere how he can earn his third by selling pencils, kitchen tongs, coal, steel ash baskets, etc. Boys who qualify go westward through Canada and the Canadian Rockies, seeing Banff and Lake Louise, then north to Alaska on the "Princess Louise." They see the wonders of Alaska and return by the "Princess" to Vancouver and home-ward through the United States, thus viewing the finest scenery in Canada, Alaska and the States. Buchanan goes with them on every trip and gives them his personal care.

When asked what he did if they got sick, he decided that they did not get sick, or if they had a bit of indisposition, the wonderful climate pepped them up and put them back on their feet immediately. "One boy gained 19 lbs. during the month's tour," said Buchanan, "and every boy has gone home a better boy physically, mentally and as a young business man. He has seen Alaska's wonders and has earned part of the money to finance the trip, which covers about 8,000 miles and lasts a whole month. One of my youngest boys, who is 5 years old, has already earned about \$20, and if he gets his third together on his own efforts, he will be in our party next summer, even if he is only six years old. Any boy, anywhere can go, provided he gets his parents' consent and earns his third."
