**THE ADVERTISEMENT WRITER RAVES**

The nurse tried to force his head  
back upon the pillow, but with per-  
spiration pouring from every pore,  
he thrust her aside:  
"Eventually—why not now," he  
shouted, "you'll buy milk from con-  
tented cows that have the skin you  
love to touch. There's a picture a-  
head that hasn't scratched yet. There  
isn't a coffin—a carload—reach for  
a—"  
But the orderly thrust him back  
upon the pillow and gagged him.  
"I'd walk a mile for a—" re-  
marked the orderly, but a welcome  
faint drowned his voice as the nurse  
slumped across the register.
