4-H Club Members Today Dairy Farmers Tomorrow

"Better dairying calls for better dairymen as well as better methods," states Extension Bulletin 72 of University of Idaho College of Agriculture. "One of the surest ways of developing high class dairymen is by training boys and girls in 4-H Clubs," it emphasizes. Boys' and Girls' Club Work Exhibits are among the important features of the 19th Annual Pacific International Livestock Exposition to be held at Portland, Oregon, Oct. 26-Nov. 2. This year's plans covering Junior Agricultural Activities provide the most extensive facilities and accommodations in the history of the Exposition. Other features include exhibits of millions of dollars worth of pure bred Beef and Dairy Cattle, Horses, Sheep, Hogs, Goats, Foxes and Poultry; Dairy, Manufacturers' and Land Products Shows; Industrial Exposition; and world-renowned Horse Show. Total premiums aggregate \$100,000. The Bank of Beaverton fully indorses this spirit of co-operation on the part of Pacific International. We believe the future success of the American farm depends very largely upon the young people of today. Therefore, we urge every boy and girl (whether club member or not) as well as every farmer in this community, to attend the Exposition.
