Conscience

By PERCY L. CROSBY

THE TIME IS 6 P.M. AND TIMMIE HASN'T BEEN HOME SINCE HE LEFT FOR SCHOOL AT 8.30 A.M. IN THE MORNING.

Out of Date
"Son," said dad, "have you ever asked that girl you are engaged to whether she can cook?"
"Huh," retorted son, "that would be as silly as it would have been for you to have asked mother if she could spin."

Team Work
"I say! Your ears are extraordinarily long," said the would-be wit.
"Yes, put them on your head and we should have a fine donkey!"

ALWAYS FAMILIAR
Muggle—"Is she familiar with professional men?" Clara—"Always, my dear."

Her Guess
"Daddy," said the little daughter, "what is a chaperone?"
"It was something girls used to take with them when they went out," explained her dad.
"Oh, something like a compact, then, you mean?" she asked.

Wasn't Sure
Young Man—Does your daughter play Mozart?
Ma Peters—Yes, I think she does; but she plays lawn tennis much better.

A Word of Terror
"To quote an ancient phrase," said the frank friend, "your speeches seem to smell of midnight oil."
"Oh!" exclaimed Senator Sorghum. "What are you trying to do? Start another scandal?"—Washington Star.

Romanticism vs. Realism
She (wisely)—I think this is the most beautiful month in the year. I wish it would last forever.
He—So do I. I have a note which falls due on the first.

OUCH!
Banana—Mr. Orange is always scolding at everybody.
Pear—A regular mock-orange!

Spends Allowances Rapidly
Tutor—Of course, I admit your son is extravagant. But you must make allowances. He's young.
The Father—That's all right! But the more allowances I make the quicker he spends them.—Vancouver Province.

Suggestion
"My wife is always meeting me with a questionnaire."
"Get back at her with an intelligence test!"

Makes Life Sweeter

Children's stomachs sour, and need an anti-acid. Keep their systems sweet with Phillips Milk of Magnesia! When tongue or breath tells of acid condition—correct it with a spoonful of Phillips. Most men and women have been comforted by this universal sweetener—more mothers should invoke its aid for their children. It is a pleasant thing to take, yet neutralizes more acid than the harsher things too often employed for the purpose. No household should be without it.

Phillips is the genuine, prescription product physicians endorse for general use; the name is important. "Milk of Magnesia" has been the U. S. registered trade mark of the Charles H. Phillips Chemical Co. and its predecessor Charles H. Phillips since 1875.

Music in the Church
A short time ago one of the most distinguished church musicians in England gave up a valuable position in order that he might form a school for training church musicians. Music has always been an essential part of church worship, but the class of music has frequently been of such a character as to raise a protest from those who desire to have music in keeping with the sacred nature of worship.—Montreal Family Herald.
