Trouble Is What He Doesn't Collect Anything Else But!

The Ruling Class
The Depositor—What's the idea of this new clearing house association rule fixing noon for your opening hour? Think it'll suit the public?
The Bank President—No, not that. But our cooks and chauffeurs object to getting up so early.
Doc's Certificate
Man with wooden leg (seeking life insurance)—Doctor, will you give me an examination?
Doctor, after various tests, writes

following: "I find that the wooden leg is in fine condition and will last for years, but the man is frail."
Affiliations
"Don't ever bring that man's card into my office again," exclaimed Senator Sorghum.
"He seemed deferential," said the secretary.
"Apparently deferential, but naturally sarcastic. I told him I was a servant of the people, and he asked, 'Which people?'"—Washington Star.

Little Bird (in background)—That must be an English sparrow!

Pacifist
Judge—You say the defendant knocked them both out. Did he start the fight?
Officer—They wouldn't stop fighting when he came along.
Judge—Where did he come in?
Officer—They wouldn't stop fighting when he asked them to, so he walloped 'em both.
A Bachelor Practice
Mr. Niblick—Have you forgotten you had a date for golf with me this

morning? Why, you're not dressed yet.
Mr. Justwed—I know it, but I put my pants to press under the mattress last night and my wife doesn't like to be disturbed so early.
Ample Proof
She—Oh, Percy, won't you do something heroic to show that you really love me?
Percy—Something heroic? Great Scott! haven't I asked you to marry me at this time when everything is so expensive?

Bug—Goin' away?
Grasshopper—Yes. Gettin' ready to hop off!
