RECIPE TO DARKEN GRAY HAIR

You Can Make a Better Gray Hair Remedy Than You Can Buy

Gray, streaked or faded hair is not only unbecoming, but unnecessary.

Anyone can prepare a simple mixture at home that will darken gray hair, and make it soft and glossy. To a half-pint of water add 1 ounce of bay rum, a small box of Barbo Compound and ¼ ounce of glycerine.

These ingredients can be bought at any drug store at very little cost, or the druggist will put it up for you. Apply to the hair twice a week until the desired shade is obtained. This will make a gray-haired person look twenty years younger. It is easy to use, does not color the scalp, is not sticky or greasy and does not rub off.
