Actress Tells Secret

Tells How to Darken Gray Hair With A Home-Made Mixture.
 Joicey Williams, the well-known American actress, recently made the following statement about gray hair, and how to darken it, with a home-made mixture:
 "Anyone can prepare a simple mixture at home that will gradually darken gray, streaked or faded hair, and make it soft and glossy. To a half-pint of water add 1 ounce of bay rum, a small box of Barbo Compound, and 1/4 ounce of glycerine. These ingredients can be bought at any drug store at very little cost. Apply to the hair twice a week until the desired shade is obtained. This will make a gray-haired person look twenty years younger. It does not color the scalp, is not sticky or greasy and does not rub off."

Three second budget meeting for the proposed budget of 1930 was held in the Circuit Court room, Hillsboro, last Friday. The second budget was along the lines of the one submitted in December, practically all items being unchanged.

The length being increased by addition of details of receipts and expenditures omitted in the first budget. Technical objections had been raised to the first budget, hence the second budget to conform to these objections which were said to be raised by one representing the timber interests of the County. The total amount to be raised by taxation, \$444,535.99, this together with the State tax of \$214,104.00 totals \$658,640.99. The County valuation is \$27,146,195.71. The second budget has made extensions to the tax roll a month later, but the County Assessor has promised the rolls out on schedule time.
