ONE PRESCRIPTION MADE FAMILY DOCTOR FAMOUS

Seldom has any single act been of greater benefit to mankind than that of Dr. Caldwell in 1888, when he wrote the prescription which has carried his fame to the four corners of the earth.

Over and over, Dr. Caldwell wrote the prescription as he found men, women and children suffering from those common symptoms of constipation, such as coated tongue, bad breath, headaches, gas, nausea, biliousness, no energy, lack of appetite, and similar things.

Demand for this prescription grew so fast, because of the pleasant, quick way it relieved such symptoms of constipation, that by 1888 Dr. Caldwell was forced to have it put up ready for use. Today, Dr. Caldwell's Syrup Pepsin, as it is called, is always ready at any drugstore.

Looks Young, Feels Fine

"Eight years ago before my last baby was born, I started taking Lydia E. Pinkham's Vegetable Compound. I got such good results that I named her Catherine Lydia. I have six older children and five grandchildren, too. I am 44, but people tell me I look much younger. I am now taking the Vegetable Compound again because of my age. I eat and sleep better and I do all my housework, and my washing. I will do my best to answer letters."—Mrs. H. Dolhonde, 6318 York St., New Orleans, Louisiana.

The brothers declare that when they looked over the side they saw the bulk of a huge whale vanishing into the depths, directly underneath their tiny vessel.
