paints, powders and creams I'm spending money on aren't making any difference in me?

Her Hero

Freshman (home for vacation)—Yep, I made the football team. His Sweetie—Honestly? What part did you play? Freshman—I did the aerial work. His Sweetie—Aerial work? What's that? Freshman—Why, I blew up the football—Copper's Weekly.

Natural Question

He had become engaged, and was calling on her the next day. "So glad to see you, Bessie," he said. "I met your brother just now, and he said I'd find you out."

No Soap

"You need a shampoo, sir," said the barber. "Yes, and I need a lot more hair, but I ain't gonna get either of them here," growled the man in the chair.

LONG SERVICE

Her father was reading. The coast seemed clear. The young man approached, coughed and stammered his momentous question. "I—er. That is, I—er. I would like to—I mean, I have— Well, sir, I've been going about with your daughter for five years now."

The Usual Interruptions Musician—You ought to hear our new organ. It's a fine one. It has more stops than any other instrument in town. Motorist—Stops, eh? For repairs or on account of the police?

NOT ENOUGH IN THE FIRE

First Politician—Does the senate put enough fire in his speeches? Second Politician—Oh, yes; but not enough speeches in the fire.

Serious Game It's very clear that what may claim rank as a matter serious, for every one who plays the game looks solemn and mysterious.

A Familiar Noise Bachelor—Are you never troubled with roaring in your ears at night? Daddi—Well, I should say so! But if it gets too bad, I get up and walk the floor with him till he quiets down.

Gob Humor Chaplain—You must conquer yourself. I conquered myself when I was about your age. Coxswain—I'm a harder man to lick than you are, sir.

Power of Suggestion "Why do you object to wearing spats?" "They would be a constant reminder of my wife and home," replied the husband of the nag.

FOR THE SAME REASON

You Said It I think too much of peaceful alumber, To get outside A green cucumber.

A Sticker Mother—He seems an easy-going person. Daughter—Well, he isn't. He was dreadfully hard to get rid of.

Serious Business "Where's the salesman that comes up our way?" "Mr. Jones? He's in conference with the boss."

"Mapping out a campaign. I suppose?" "No, going over his expense account."

So It Goes "John, how's married life?" "Well, it gets a little monotonous punching a time clock at home as well as at work."

A Matter of Spelling The mayor hurried in to the gathering and exclaimed apologetically: "I am sorry to have kept you waiting, but I have been addressing a board meeting."

"I can quite believe that it was!" said a voice from the crowd.

Only Place Visible Stroller—Why is it so many engaged couples frequent the parks in the evening? Officer—Explanation's simple. Sparks always show up in dark places.

Making Him Think Mrs. Sharpe—How do you sell your milk? The Milkman—Twelve cents a quart, mum.

Mrs. Sharpe—Ah, then this diluted stuff must be cheaper.

More Clocks Needed Andy—Is a clock different from a map? Andrew—Of course it is; what do you mean? Andy—Well, when a clock strikes it keeps on working.

Any COLD

That cold may lead to something serious, if neglected. The time to do something for it is now. Don't wait until it develops into bronchitis. Take two or three tablets of Bayer Aspirin as soon as you feel a cold coming on. Or as soon as possible after it starts. Bayer Aspirin will head off or relieve the aching and feverish feeling—will stop the headache. And if your throat is affected, dissolve two or three tablets in a quarter-glassful of warm water, and gargle. This quickly soothes a sore throat and reduces inflammation and infection. Read proven directions for neuralgia, for rheumatism and other aches and pains. Genuine Bayer Aspirin is harmless to the heart.

Words Most Often Employed The eight words most frequently used in English are "and, have, it, of, the, to, will and you."

Men don't talk much about the styles because they have been about the same since Andrew Jackson.

Finds Youth's Fountain!

"JUST one thing has contributed more than anything else in my life toward making me the radiantly happy woman I am today," writes Mrs. Walter Ruchl, of Glenbrook, Conn. "If this was selling at ten dollars a bottle instead of the few cents it costs, I would scrape the money together, and I don't mean maybe!"

"I guess a good many others feel the same way, judging by the number of people I know who swear by this 'Fountain of Youth.'"

Millions of people all over the world have discovered this simple secret, which is nothing but giving our bodies the internal lubrication that they need, as much as any machine. After you have taken Nujol for a few days, and have proved to yourself how it brightens your whole life, you will wonder how so simple a treatment can make such a great change in your health and your happiness. The reason is this:

Regularly as clock work, Nujol clears out of our bodies those poisons (we all have them) which slow us up, make us headachy, low in our minds.

Colorless and tasteless as pure water, Nujol cannot hurt you, no matter how long you take it. It is not a medicine. It contains no drugs. It forms no habit. It is non-fattening.

Try Nujol yourself and see how much better you feel. Get a bottle in its sealed package at any drug store and be sure it's trademarked "Nujol." It costs but a few cents—and it makes you feel like a million dollars! Start taking Nujol this very night!

Happy "Diogenes, what has become of your lantern?" "I met an honest man and traded it in on some mining stock."

Burning Skin Diseases quickly relieved and healed by Cole's Carbolic. Leaves no scars. No medicine chest complete without it. 25c and 50c at druggists, or J. W. Cole Co., Rockford, Ill.—Advertisement.

And many a man who isn't married has his troubles, too.

Heavy Wood Lignum vitae, one of the heaviest woods, weighs from 73 to 83 pounds per cubic foot.

Use Russ Ball Blue in your laundry. Tiny rust spots may come from inferior Bluing. Ask Grocers.—Adv.

He who will fight the devil at his own weapon must not wonder if he finds him an overmatch.—South.

To live is to do battle.—Seneca.

It may be the little stomach; it may be the bowels are sluggish. No matter what coats a child's tongue, it's a safe and sensible precaution to give a few drops of Castoria. This gentle regulation of the little system soon sets things to rights. A pure vegetable preparation that can't harm a wee infant, but brings quick comfort—even when it is colic, diarrhea, or similar disturbance.

And don't forsake Castoria as the child grows older. If you want to raise boys and girls with strong systems that will ward off constipation, stick to good old Castoria; and give nothing stronger when there's any irregularity except on the advice of a doctor. Castoria is sold in every drugstore, and the genuine always bears Chas. H. Fletcher's signature on the wrapper.

Always take time to dust on a little CUTICURA TALCUM as a finishing touch to your toilet. Fragrant and antiseptic, it absorbs excessive perspiration and refreshes and cools the skin, making your toilet complete. You will like it—everybody does.
