It is urged that the tax payers of Washington County request their statements by mail, and also send their remittance by mail, at as tax payers will co-operate with early a date as convenient. If the tax payers will co-operate with this request, it will be greatly appreciated by the tax department, and will help to eliminate the last minute rush, and the inconvenience caused the tax payers by standing in line waiting their turn to be waited on. adv. c14-17

RECIPE TO DARKEN GRAY HAIR

You Can Make a Better Gray Hair Remedy Than You Can Buy

Gray, streaked or faded hair is not only unbecoming, but unnecessary.

Anyone can prepare a simple mixture at home that will darken gray hair, and make it soft and glossy. To a half-pint of water add 1 ounce of bay rum, a small box of Barbo Compound and 1/4 ounce of glycerine.

These ingredients can be bought at any drug store at very little cost, or the druggist will put it up for you. Apply to the hair twice a week until the desired shade is obtained. This will make a gray-haired person look twenty years younger. It is easy to use, does not color the scalp, is not sticky or greasy and does not rub off. adv. no. 6.
