Add days in California to any trip East at Summer Excursion Fares!

The fare is only a fraction more than an ordinary ticket to your destination and back.

Think of a trip to the East that includes California, the Spanish-American Southwest, a bit of Old Mexico, the romantic Old South and quaint New Orleans. Then to your destination and home thru the Canadian Rockies or on northern United States lines.

That is one of Southern Pacific's Circle Trips. You double the enjoyment of any trip East when you use Southern Pacific's Four Great Routes and go one way, return another. You circle as much of the United States as you like at low summer fares.

No matter what your eastern destination it can be included in one of Southern Pacific's Circle Trips. A few itineraries are suggested here. You may reverse this order if you wish.
Summer excursion fares East are in effect on and after May 22. You have until October 31 to complete your journey.
Note these examples, and map. Then let the Southern Pacific agent give you further details. He will be glad to show you how to make your travel dollars go farther.
