FAMILY DOCTOR MADE MILLIONS OF FRIENDS

Fifteen years after his graduation, Dr. Caldwell became famous for a single prescription which now, after forty years, is still making friends.

Today Dr. Caldwell's Syrup Pepsin is the world's most popular laxative. Millions of people never think of using anything else when they're constipated, headachy, bilious, feverish or weak; when breath is bad, tongue coated, or they're suffering from nausea, gas, or lack of appetite or energy.

Dr. Caldwell's Syrup Pepsin is made today according to the original formula, from herbs and other pure ingredients. It is pleasant-tasting; thorough in the most obstinate cases; gently effective for women and children. Above all, it represents a doctor's choice of what is safe for the bowels.

"A WONDERFUL HELP TO ME"

Read What Mrs. Arnold Says About Lydia E. Pinkham's Vegetable Compound

Dothan, Ala.—"What a wonderful help Lydia E. Pinkham's Vegetable Compound has been to me. I was so nervous and rundown I couldn't be up half the time. When I had taken one bottle of Vegetable Compound I could tell I felt better, so I took seven bottles and I recommend it highly. It helped my nerves and keeps me strong to do my housework and wait on four little children. I hope some other suffering woman will try it."
—Mrs. PORTER L. ARNOLD, 1013 S. St. Andrews St., Dothan, Alabama.
