Jelly is cooked enough when it is so thick that it makes heavy drops that run together before they fall from the side of a spoon. The common method of allowing a little of the juice to cool on a plate to see if it will jelly allows that in the pan, still cooking, to become overdone.

Where kitchen debris is to be burned, unnecessary work will be saved by scraping it directly onto a paper instead of some container which must be washed later.

A rubber plate scraper scrapes

Bacon, fried crisp, broken into small pieces and served on top of chopped, cooked greens, gives a delicious flavor. A little of the bacon fat may also be mixed in to give added richness.

Hollandaise sauce, made with egg yolks, butter and lemon juice, is a delicious accompaniment for asparagus.

Husband (in letter home): "I have a fine room with running water."

Wife's Answer: "Leave the Indian and come home at once."

Boy Scout, to Old Lady: May I accompany you across the street?" Old Lady: "Of course, you poor little boy; how long have you been waiting there for someone to take you across?"

"I understand that new musical show that opened last night has a chorus of seventy."

"Yes, and they look it too."
