Would you call this a hint?

BEFORE secret suffering breaks out in open revolt—before the little home is irretrievably shattered by a husband's strong pipe—can't something be done? Certainly. A new pipe will help, or even an old pipe cleaned and filled with Sir Walter Raleigh's favorite smoking mixture. It really is milder, with no sacrifice of richness and fragrance. It really is as popular with the smokers as it is with the smoker.

TUNE IN on "The Raleigh Revue" every Friday, 10:00 to 11:00 p.m. (New York Time), over the WEAZ coast-to-coast network of N.B.C.

Bees Resented Intrusion
When a truck ran away and hit one of the grand old cherry trees at Cherryville, Pa., the eight men aboard received more than a bump apiece. The collision, which demolished the tree, aroused a monster swarm of bees that made their home in the hollow trunk. Some of the men made surprising records as sprinters, but all were stung. Two Cherryville girls, taking a stroll, shrieked that men were about to attack them, only to find out what was really doing when the bees came along.
