THE NEW FORD TUDOR SEDAN

YOU are buying proved performance
when you buy a Ford. You know it
has been built for many thousands
of miles of satisfactory, economical
service.

Letters from users in every part
of the world show the value of
the sound design of the car, good
materials and accuracy in manu-
facturing. You sense a feeling of
sincere pride in the oft-repeated
phrase—"Let me tell you what my
new Ford did."

Further tribute to the sturdiness,
reliability and general all-round per-
formance of the new Ford is shown
in the repeated and growing pur-
chases by government bureaus, by
police departments, and by large
industrial companies which keep
careful day-by-day cost records. In
most cases, the new Ford has been
chosen only after exhaustive tests
covering speed and power, safety,
comfort, ease of control, oil and gas

consumption, low yearly deprecia-
tion, and low cost of up-keep.

They have found, as you will find,
that the Ford embodies every feature
you want or need in a motor car at
an unusually low price.
