### Beaver Theatre Opens As All-Talking Show

**Chorus of Sixty Trained Dancers Are Used In This Production**

**IS STAGE SUCCESS**

Los Angeles Orchestra Supplies Music For Night Club Scenes

The super-screen version of the celebrated Philip Dunning-George Abbott stage success "Broadway" is to come to the Beaver Theatre Fri., Sat. and Sun. Aug. 15, 16, 17. Glen Tryon, Evelyn Brent and Myrna Kennedy are featured in the cast. It is an elaborate talking, singing and musical picture with an intense drama.

The photodrama was directed by Dr. Paul Fejos, under the supervision of Carl Laemmle, Jr. It was made on an elaborate scale, and is said to have cost \$1,500,000. Much of the action is laid in a night club. This interior is said to be the most striking scene of the year. The decorations and the general arrangement and lighting of this set have set new standards in cinematography.

Against its bizarre and modernistic backgrounds, a chorus of sixty trained dancers put on a show that has no equal in the most gilded New York night club of the present or in the elaborate cabarets of the past.

The famous Coconut Grove Orchestra of Los Angeles, under the direction of Gus Arnheim, supplied the music for the night club scenes, including both the singing and dancing numbers. Howard Jackson made the score and arrangement.

### REBEKAHS MEET ALL DAY AT ELLERSON'S

Friday, the 1st day of August, twenty-one Rebekahs of the Rebekah Needle & Social Club met at the home of Mrs. Rebekah Ellerson for an all day meeting of the Club.

At noon, a pot-luck dinner was served on a long table under the trees in the yard. Mrs. Ellerson has a beautiful yard full of many kinds of trees and shrubbery. A wide hedge almost surrounds the house. When the writer asked her how she kept it trimmed so nice all the time, she laughingly replied, "With my own two hands."

The day was spent in lounging, talking and wandering through the trees. All present had a wonderful time and on departing the hostess loaded every one down with luscious plums grown on her own trees. Never were trees so laden as these plus trees were! After all had taken a goodly share you could scarcely tell there were any gone.

We are very sure the Club will want to return to Mrs. Ellerson's home when the plums are ripe another year.

### Tire Covers Advertise Our Wonderful Valley

**Huber, Aloha and Beaverton Clubs Co-operate In This Movement**

**NOW ON DISPLAY**

Anyone Interested In Seeing One May Go To One of Garages

Some time ago the Huber Commercial Club conceived an original scheme to give publicity to the Tualatin Valley and the towns located at the lower end of it in the eastern part of Washington county and near to Portland.

J. Gledorf in discussing the proposition said that "You just can't help reading what is printed on a tire cover on the back of a car whenever you drive up behind the car." They got together with the Aloha Commercial club and the Beaverton Chamber of Commerce and had a design drafted to go onto tire covers. Then they made a contract with a large manufacturing plant in Portland to turn these covers out in large numbers, the service clubs of the towns enumerated contracting to take a stipulated number.

The past week these tires have made their appearance in Beaverton and have been placed on sale at the more convenient garages and service stations.

The tire has at the top the time it takes to drive from the heart of the Tualatin Valley into the heart of Portland. "Fifteen minutes from Broadway over the Canyon Road." Then near the center of the cover is a sketch of the Canyon road and the towns, Beaverton, Huber and Aloha.

These covers can be seen at Stipe's Garage, at Bielmann Motors, and at Otto Erickson's. If you are interested in a new cover or in advertising your Valley, see these people and make arrangements to purchase one.

### KIWANIS CLUB TO HAVE PICNIC MEET

The regular meeting among the members Thursday morning after the Kiwanis meeting of the previous night seems to be, "That was a splendid meeting last night. I surely enjoyed Mr. Creed's talk. His explanation of the "On to Oregon" movement was great."

There was another guest present whose name we did not get. He came from Sunny California and spoke a good word for that state, although he told us that he thought Oregon a better place in which to live. He was a school teacher, or probably we might say a professor as he had been an instructor in Pacific University at Forest Grove.

The item of especial interest was the decision to make the next meeting a picnic, the location being left to a committee consisting of I. R. Metzler, Leonard Adams and J. R. Talbert. It will be "Ladies Night" and perhaps there will be other features, but the committee has not rendered a report as yet.

Miss Gladys Shellenberger who is attending school at Monmouth, spent the week end with her parents, Mr. and Mrs. L. D. Shellenberger.

Miss Mary Fletcher of Idaho is spending three weeks in the home of her parents, Mr. and Mrs. Aubrey Fletcher of the Sorrento district.

### REASONS FOR CAR'S POPULARITY GIVEN

When the Chevrolet Motor Company introduced to the automobile public the new Chevrolet Six on January 1, 1929, they entered into a highly competitive field with a car, which was destined to champion new standards of sales and performance records. Immediately following the announcement of the new Six, thousands of orders were placed for the car before its first public showing. By the end of 1929 the Chevrolet Motor Company had sold and delivered more cars than the combined sales of all the other six cylinder cars manufactured during the same period of time.

Now with a new 1930 model that has been greatly improved, yet lowered in price so that it is within a few dollars of the cost of the more popular four cylinder cars, Chevrolet occupies a most enviable position among the automobile champions.

This leadership of Chevrolet is especially evident among the business and professional men of the country, who are trained in the selection of quality values. While the Chevrolet Motor Company is international in its scope their local representative, Stipe's Garage, have supplied a large number of Chevrolet Six cars to local people. The following is an owner list of the Chevrolet Sixes taken from sales to business and professional men of Beaverton:

Passenger cars: Mrs. Williamson, Greenwood Cafe; Chas. Berthold, Berthold Feed Co.; Francis Livermore, Jr., Bank of Beaverton; Dewey D' Drobough, Dewey the Plumber; Dr. J. R. Talbert, Dentist; Dr. R. S. Welsh, M. D.; Dr. C. E. Mason, M. D.; Roy Davis, National Aircraft Co.; Father Heesacker, St. Mary's Academy; Elmer Benson, City Meat Market; Frank Noyes, Noyes Plumbing Co.; Trucks: A. E. Hanson, Hanson Wood Co.; Chas. Berthold, Berthold Feed Co.; W. J. McCready, McCready Lumber Co.; Joe Kemmer, Wood Hauling.

### DAUGHTERS OF VETERANS GIVE PARTY

The Daughters of Union Veterans of the Civil War gave a birthday party Sunday afternoon for Mr. Waller at his home near Tobias Station.

Mr. Waller is an old Civil War Veteran eighty six years of age. He lives alone and is still quite hale and hearty. He takes care of a cow and has a nice garden. He says he thinks he will buy more cows this winter.

The old gentleman was pleased to have the daughters come and enjoyed the picnic as much as anyone. I think the milk cans were all drained dry, the amount of ice cream that was made and eaten after they reached Mr. Waller's home.

The club will hold their next meeting at Fairvale.

### Large Crowd Attends United Clubs' Meet

**Julius Meier Tells of Great Improvement in Roads In Past Few Years**

**SEN. MILLER SPEAKS**

Police-men Are Stationed To Help Find Parking Places

The United Westside Clubs met at the Union High school at Tigard Tuesday evening with the largest attendance in its history. Police-men were stationed outside to look after the parking of the autos. The large auditorium was filled to capacity.

The president of the clubs, Geo. Lippert presided over the meeting which was opened by singing the first stanza of America by the members. Mr. Kinney of Fairvale, chairman of a committee on roads, was called on for a report, as was Mr. MacDonald who gave the club a petition or set of resolutions, asking for a connecting link between the Hoffman and the Garden Home road. The club went on file as favoring the petition, and agreed to send copies to the city of Portland and to the County Commissioner of Multnomah County. Peggie Crabtree gave a solo, "Caveman Kid." H. Eliander gave a brief report of the Tigard-Beaverton Highway. Senator Milton A. Miller gave a splendid talk on Oregon, congratulating himself and all the rest for living in this wonderful state. A violin and piano solo was given by Patsy and Helen O'Neil. A baritone solo, "I'd like to go to Rio," was sung by Harold Phillips. Geo. L. Talbot, mayor of Portland, gave a fine talk on how to build a community or city, which was followed by a brief talk from our own mayor, Otto Erickson.

Kenneth Harlan of Portland gave a lengthy but rather entertaining talk on electric power. Julius L. Meier, independent candidate for governor, was the main speaker of the evening. He told about the vast difference in the roads now and what they were twenty five years ago. He said it was a day's drive then to come to Tigard, but now it is only a few minutes drive. He also told some of his plans for the coming campaign.

The next number was a duet by two ladies from Portland, whose names we did not get. Mr. Kinney introduced Mr. J. W. Cullen and wife of Glen Cullen, old pioneer of Oregon. Mr. Cullen said his wife is the only survivor of a train of 150 wagons that crossed the plains in 1843.

The club will hold their next meeting at Fairvale.
