

Three Governors Attend Exposition

Seated at speakers' table are late Governor Patterson of Oregon, Governor Baldrige of Idaho, late Governor Hart of Washington; also Rotary President Banfield and A. C. Ruby, President 1929 Pacific International.

One of the features of the 20th Pacific International Livestock Exposition, Portland, Oregon, Oct. 25 - Nov. 1, will be the Rotary Luncheon sponsored annually by the Portland Club for the entertainment of visiting members from all parts of the country. Last year the governors of Oregon, Washington and Idaho were honor guests at the luncheon held in the new Hall donated by J. C. Penney to be used for Boys and Girls Club Work and Smith-Hughes Vocational activities.

The yearly meeting of these Junior Agriculturalists - recognized by the U. S. Government under the name of "Camp Plummer" - in charge of H. C. Seymour, Oregon State Club leader, assisted by U. S. Dept. of Agriculture officials and other State Club leaders - is one of the most constructive activities in which the Exposition is engaged.

On Sunday morning, Oct. 26, at 11 o'clock, Memorial Services will be held for late Governor Patterson of Oregon and a bronze tablet unveiled.

Exhibited this year under the 11-acre roof will be seen millions of dollars worth of America's finest pure-bred Beef and Dairy Cattle, Heavy Draft Horses, Sheep, Hogs, Goats, Foxes, Mink, Marten, Poultry and Rabbits.

Other exhibits include 2-acre Industrial Exposition; complete Dairy Show, featuring milk, cream, ice-cream, butter and cheese of all kinds; Wool and Mohair Show staged with assistance of U. S. Dept. of Agriculture and Pacific Co-operative Wool Growers Association; Manufacturers' and Land Products Show; "Truth-in-Meat" Exhibit - an educational feature of immeasurable value to growers, retailers and consumers; Wild Life Exhibit by Oregon Fish and Game Commission; and world-renowned Horse Show.

Special low round trip fares to the Exposition will be in effect on all leading transportation lines.

Webfoot Grid Leader!

Captain Johnny Kitzmiller, the "Flying Dutchman" of the Pacific coast conference, will lead the Webfoot football team this season. Kitzmiller, selected on several all-coast teams last fall, is playing his final year. Two years ago he led the coast in scoring, but was out with a broken ankle most of the 1929 season. He will be at the head when the Webfoots open the night football season in Eugene against Williamette, September 27.

TELL 'EM TO Sell 'em

This is an age of advertising. All that is worth while in business receives its reward by public recognition, but advertising first puts it over. If it is really worth while, advertising can keep it there.

In these times of widespread discontent, when in many quarters the belief prevails that all is not as it should be, "well directed advertising," Roger Babson says, "can do more than any other one factor to hasten economic recovery."

Any business which finds trade disappointing for any reason, has its remedy in advertising. Of course, if a business is not delivering goods that are worth while, advertising will not pull it out of its difficulties. But if it is giving full value for the money, in goods and service, then advertising will put it on its feet.
