People's Water and Power Utility Districts Constitutional Amendment

That Article XI of the Constitution of the State of Oregon be, and the same hereby is, amended by the addition of the following section, to be known as Section 12:

Boys And Girls Of Oregon Increase Knowledge Of Animals

Upwards of 1000 boys and girls annually increase knowledge and experience in modern, improved farm practices through attendance at Pacific International Livestock Exposition.

Greater than ever will be the interest taken in Junior Agricultural activities at the 20th Annual to be held Portland, Oregon, Oct. 25-Nov. 1. Erection last year of J. C. Penney Hall for 4-H Club, Smith-Hughes and Inter-Collegiate events added impetus and encouragement to carrying on this important section of the Exposition. This year sees the new T. B. Wilcox Jr., Hall added for Poultry and Rabbit exhibits. Thirteen complete shows will combine to make this the largest and best Pacific International in two decades.

Here at the Bank of Beaverton we know of no better way to start the youngsters' farm education than taking them to the Exposition. We therefore urge parents to attend and to take the boys and girls along, too.

Stripped of political claims and counter claims, put down in the cold, dead words of the bill which voters are asked to write into Oregon's constitution, this "Grange Bill" seems dangerously broad.

There are arguments, pro and con, in your voters' pamphlet which you can read if you wish. But don't fail to read the bill and ask yourself the questions these prominent men have pointed out here. Pacific Northwest Public Service Company. "Pepco"
