Mr. and Mrs. Barber and son Wayne, and Mr. Peters, Mrs. Barber's father, visited relatives in Salem Thanksgiving day.

Mr. and Mrs. Thomas Boyd spent Thanksgiving Day with Mrs. Boyd's daughter and family, Mr. and Mrs. Arthur Rohrer of Corvallis.

Ortrude Olmsted of Portland gave a bridal shower at her home on Wednesday evening for Mrs. Jamie Hudson. Among those attending from Beaverton were: Mrs. J. Sprague, Mrs. Dean, Mrs. V. A. Woods, Mrs. Hetu and Irene Hetu. Many useful and beautiful presents were received.

His many friends in Beaverton will be pleased to tune in and listen to their fellow townsman.

HUDSON CO. GIVES OUT PRICE LIST

The Hudson Motor Car Company, makers of Hudson and Essex cars, has added another 1,000 men to its working force, making an additional 3,500 men put to work in the past three weeks, and in line with its policy to afford immediate employment to as large a force of wage earners as possible, William J. McAneney, president, has given out the prices at which the new Hudson and Essex models will be sold. They are the lowest prices in the 22-year successful history of the manufacturer.

The base list price of the Hudson, which will be known as the Greater Hudson Eight, will be \$875. The new Essex Super Six will be sold as low as \$595. Mr. McAneney points out that his company is offering its new product at a saving of \$175 on the Hudson and \$170 on the Essex, as compared to the prices when new models were introduced one year ago, and takes full recognition of the obligation to give the public every advantage in value and, at the same time, provide employment for a large number of workers.

Hudson Essex shatter precedent in announcing prices in advance of the public showing of the new models which is scheduled for the latter part of the month. This was done, according to President McAneney, in order to give distributors and dealers the full, possible co-operation in preparing for an aggressive sales and merchandising campaign strongly supported by advertising, as soon as they receive the company's 1931 offering.

C. E. LEADER PRESENTS NEW FEATURE

A fine Christian Endeavor meeting was held at the Church of Christ last Sunday evening. The leader, Helen Toi, presented a new feature, having station C. E. Y. P. broadcasting. One number was a solo by Ella Bean, accompanied by Elizabeth Struthers.

The crayon drawing won from Multnomah by the C. E. has been framed, and now adorns the walls of the Christian Endeavor room. It is very beautiful, and we give credit to Miss Donnell Smith, for finishing it.

A regular business meeting will be held next Sunday evening, December 7, at the church at 5:30. The meeting will be opened with a "pot luck" lunch. Let us have a hundred percent present as we have important business to discuss. The least will be Doris Smith. A trombone solo will be one of the features of the evening.

YOUNGS ENTERTAIN ORGANIZED CLASSES

Mr. and Mrs. C. W. Young very pleasantly entertained members of the Loyal Scouts and Class in the Corner, organized classes of the Kinton Sunday school, at their home on Tile Flat road, Friday evening. Refreshments were served during the evening and the young folks enjoyed a number of games. A number of the parents were present and other invited friends. Music was also enjoyed.

THE NEW CHEVROLET SIX

Strikingly beautiful, fleet and smart
—a masterpiece of Fisher styling

Never has the superiority of *Body by Fisher* been more strikingly exemplified than in the Bigger and Better Chevrolet Six! With the added advantage of a lengthened wheelbase, Fisher designers have achieved in the new Chevrolet an impressive degree of smartness, comfort and luxury.

Inside and out, scores of refinements stamp this car as a masterpiece of modern coachwork. Radiator, headlamps and tie-bar form an unusually attractive and distinctive ensemble. Mouldings sweep back in an unbroken line to blend with the smart new body contours. And new color combinations lend a new individual-

ity. Interiors, too, are exceptional. The new mohair and broadcloth upholstery is smartly tailored. Seats are wider and more luxuriously cushioned. A deeper windshield and wider windows give better vision. And beautiful new modern fittings lend a final note of charm.

Many mechanical improvements are also evident in this Bigger and Better Six. Among these are a stronger frame; easier steering; a more durable clutch; a quieter, smoother transmission; and important engine refinements.

The Bigger and Better Chevrolet Six is now on display. See it today—drive it! It is the Great American Value!
