The famous Goodyear All-Weather Tread is superior in traction. Note how the deep-cut, tight-gripping blocks are placed in the center of the tread, where they belong. Press the palm of your hand upon this tread and feel how the blocks grip and pinch the flash. This illustrates the All-Weather Tread's halfpenny action on pavement or road.

2

The patented Goodyear Superior Cord Carcass is superior in vitality and long life. Under continued flexing or sudden road shock, where ordinary cords fatigue or snap, the extra-elastic Superior Cord stretch and recover, like rubber bands. Ask us to show you an our cord testing machine the extra stretch is amazingly greater than that of any other standard cord.
