BIELMAN PRESIDES AT CHAMBER MEET

In the absence of President Rich-ey, C. J. Bielman presided at the Chamber of Commerce meeting held at their rooms in the bank building Wednesday evening.

A communication was read from the Portland Chamber asking that the Beaverton Chamber take some action in the matter of informing the delegation in Congress from this vicinity of the sentiments of the people in regard to that body's attempt to balance the budget at the expense of the already overburdened tax-payer by finding new means of levying tax, instead of reducing expenses. Secretary Short was instructed to write letters to all Congressmen from this section.

After listening to C. A. Johnson who is promoting an advertising campaign in connection with the meeting of the national convention of the American Legion, and hearing a discussion of the problem of lighting the junction of the Broadway and Canyon road at the east of town, the meeting adjourned.

Mr. and Mrs. O. A. Thompson and three children who have been

making Beaverton their home for some months past left Wednesday morning for Moro where Mr. Thompson has employment in the wheat harvest.

MAKE PLAIN CAKE RICH WITH CHOCOLATE FLAVOR

EVERY housewife has a prized cake recipe for special occasions. But cakes baked every Saturday for daily family needs must be economical as well as tempting.

How fortunate therefore that chocolate flavor is a family favorite. Chocolate works wonders either with a simple family cake or one for special occasions. A chocolate frosting makes the plainest cake tempting, while a chocolate batter makes your simplest cake rich.

One-Egg Chocolate Layer Cake
2 cups sifted cake 4 tablespoons butter or other
2 tablespoons baking shortening
powder 1 egg, unbeaten
1/4 teaspoon salt 1/2 cup milk
1 cup sugar 1/2 teaspoon vanilla
Sift flour once, measure, add baking powder and salt, sift together three times. Cream butter thoroughly, add sugar gradually. Cream together until light and fluffy. Add egg, beat thoroughly. Add flour, alternately with milk, a small amount at a time. Beat after each addition until smooth. Add flavoring. Bake in two greased 9-inch layer pans in moderate oven (375°F.) 25 minutes, or in greased loaf pan, 8x5x3 inches, in moderate oven (350°F.) 50 minutes. Double recipe for three 10-inch layers. Spread with Soft Chocolate Frosting.

Soft Chocolate Frosting
4 squares unsweet 4 tablespoons flour
enel chocolate, 1 cup sugar
cut in pieces 2 tablespoons butter
1 1/2 cups milk
1 teaspoon vanilla

Add chocolate to milk in double boiler and heat. When chocolate is melted, beat with rotary egg beater until blended. Sift flour with sugar; add a small amount of chocolate mixture, stirring until smooth. Return to double boiler, cook until thickened. Add butter and vanilla. Cool. Spread on cake. This frosting covers tops and sides of two 9-inch layers.

Chocolate Cup Cakes

(2 eggs)
1 1/2 cups sifted 1 cup sugar
cake flour 2 eggs, well beaten
1 1/2 teaspoons baking powder 1 teaspoon vanilla
1/2 cup milk
1/2 teaspoon salt 2 squares unsweetened chocolate
1/2 cup butter or ened chocolate
other shortening melted and cooled
Sift flour once, measure, add baking powder, salt. Sift together three times. Cream butter thoroughly, add sugar gradually. Cream together until light and fluffy. Add eggs and vanilla. Beat well. Add flour, alternately with milk, a small amount at a time. Beat after each addition until smooth. Fold in chocolate. Pour into greased muffin pans, filling two-thirds full. Bake in moderate oven (375°F.) 15 minutes. Cover with Soft Chocolate Frosting. Decorate with chopped nuts, decorations, coconut, or designs of melted chocolate. Makes 20 cakes.

You will find that these cakes served with fresh fruit in season or stewed fruit will make a delicious dessert.
