First prize in the contest is a scholarship to the 4-H club summer school at the Oregon State College, June 13th to 25th. Earl Jossy, a brother of Donald, was state winner last year in the same contest.

During the past four years of club work Donald has made a very enviable record. The winning of the Holstein heifer calf donated by the Mt. Angel stock farms at the state fair last year and Champion Dairy Showman at the Pacific International Livestock Show in 1930 are outstanding.

He has during the past four years won four championships, fourteen firsts, four seconds, one third, four fourths, two fifths, one sixth, one eighth and one ninth. His winnings include four scholarships to the 4-H summer school at Corvallis besides a considerable sum in cash prizes.

For the 1929 Club year Donald purchased a purebred heifer calf which placed first in club and second in open classes, showing this calf he was awarded Holstein showmanship and champion showmanship over all breeds. He was high scoring individual in the livestock judging contest at the County Fair and a member of the team representing Washington County at the State Fair.

Donald exhibited a senior yearling Holstein heifer in 1930, which placed first in the club class and first in the open classes, while in showmanship he placed first in Holstein and champion over all breeds at the County Fair. At the State Fair he finished third in showmanship while he showed his heifer to first place in her class. It was at the Pacific International Livestock show in 1930 that Donald placed first in Holstein showmanship, was champion dairy showman and tied for the grand champion cattle showman, over all breeds including beef cattle. His heifer placed fourth in the senior yearling class.

Along with his calf club project he carried a pig and corn project. His junior gilt won second place at the County Fair and fourth at the International. In addition he placed fifth in hog showmanship. In corn club work he grew an acre of corn exhibiting at the Commercial National Bank contest, Hillsboro and at Portland. Donald is high score man on the crops judging team at the County Fair and a member of the crops judging team winning first at the Pacific International Land Products show.

In the 1931 club year Donald was a member of three clubs, owning two animals in a dairy club, a leader in pig club and the owner of a sow and litter and a registered Chesterwhite gilt. He was also a member of the Corn Huskers corn club, growing one acre of Minnesota No. 13 corn in the Commercial National Bank corn contest.

At the fairs last fall he exhibited two Holstein heifers winning first in division one and four in division two. First in the Holstein showmanship and champion showman of all breeds at the County Fair.

In swine classes Donald placed second in showmanship and his gilt placed third in the Chesterwhite class. In addition he placed sixth in showmanship and his heifer calf placed fourth in her class. At the Pacific International he placed sixth in showmanship, fifth with his calf and sixth with his Chesterwhite gilt.

Ordinance Provides For Water Contract

Water Will Be Purchased
From Phil Polsky, Of
Wessinger Springs

BILLS ACTED UPON

Livermore Wishes Insurance for
the Volunteer Firemen

Probably the important feature of this week's Council meeting was the passing of Ordinance No. 136, which provides for the purchasing of water from the Wessinger Springs. This ordinance, among other provisions, makes it mandatory that, when the contemplated contract is entered into between the Town of Beaverton and Phil L. Polsky, that the town buy water from Polsky and from no other party so long as Polsky can supply a sufficient amount of water for the Town's needs.

Among other provisions of the contemplated contract, which is to be drawn along the lines of the ordinance, provide that the agreement shall run ten years, that until Polsky has been reimbursed in full for the expense of installing the plant the water will cost the town 16 cents per hundred cubic feet and that after the cost has been paid that water will cost ten cents per hundred cubic feet. Other details cover right-of-way, ownership, etc.

Four new street lights are to be installed, one at the "Y" east of town, another at the west "Y", one at the corner of Second and Watson, and the other at Cedar St. and Canyon road.

Bills allowed and ordered paid total \$1,033.91, and include \$353.77 for water, \$18 for auditing, the same amount for cleaning out the reservoir, \$25 for Teal, Winfree McCulloch, and Shuler for an opinion of the validity of certain bonds the city contemplated issuing, \$51.17 for building a sidewalk in front of the City Hall, and others too numerous to mention.

The Council went on record as being in favor of an occupation tax, and the Mayor appointed E. Marsh and H. M. Barnes on a committee to draft a schedule of the amounts business houses were to pay. Certain ditches were ordered closed and the laid.

Just what action was taken is not exactly clear to the writer, but the Recorder is expected to receive reports of lots which are suitable for cultivation, evidently with the idea that these parcels may be made use of. The Recorder was instructed to write certain property owners regarding the construction of sidewalks which have been ordered built or repaired.

F. W. Livermore, fire chief, appeared in behalf of securing insurance for the volunteer firemen.

Many Objections

M. P. Cady Is Named For the
State Committeemanship

The Republican County Committee for Washington county met Tuesday of this week in the basement of the court house at Hillsboro. J. W. Hughes, the chairman for the organization for last year called the meeting to order at two o'clock in the afternoon and appointed Jay Gibson, cashier of the Gaston State Bank to act as temporary secretary pro tem.

Several nominations were made for chairman but those named declined for various reasons and Mr. Gibson was then nominated and unanimously elected as permanent chairman for the ensuing two years. J. H. Hulett was then elected secretary of the organization. It is only fair to Mr. Gibson to state that he made strenuous objections to being made chairman but his objections were over-ruled and he was escorted to the chair by the retiring chairman, Hughes of Forest Grove.

M. P. Cady was nominated for treasurer but declined and placed the name of Albert Bunning of Cornelius in nomination and he was unanimously elected.

For state committeeman, M. P. Cady and J. O. Johnson were nominated. The ballot elected Mr. Cady to fill the position. Thomas H. Tongue was elected Congressional committeeman. Though he had not been elected as central committee man, his precinct failed to elect anyone and he was named by the county committee to fill the vacancy. The committee then proceeded to elect H. T. Giltner for N.E. Forest Grove; E. J. Maple, for S.E. Forest Grove; Dr. Rucker for Sherwood; H. T. Bruce for Redville; Claude Nyberg for Tualatin; Perry Newman for Bloomington and P. Patton for Cherry Grove.

Following this, on motion of J. O. Johnson the committee voted to instruct the executive committee to fill other vacancies if any developed. Retiring Treasurer read his report which showed the organization in a flourishing condition financially. After remarks by J. W. Hughes, M. P. Cady, J. O. Johnson, and others a motion to adjourn prevailed as Chairman Gibson decided to take the matter of the appointment of the executive committee under advisement.

Annabelle Benson Elected Rose Queen

After Votes Are Counted,
the Queen Is Shown
On Her Throne

MANY ARE PRESENT

Miss Hazel Smith and M's Thelma Tefft are Princesses

The High School auditorium was filled to capacity Tuesday evening, when the coronation of Beaverton's queen for the coming rose show, took place. Everyone enjoyed himself to the utmost. There was enough rivalry to make it interesting but it was all in the friendliest manner.

The high school band was present and played several selections, which were greatly enjoyed. In fact a spirit of pride is always manifested when our boys play.

The prospective queens were introduced, and it was hard to decide which did lock the nicest.

Robert Haines of Huber, popular KOIN tenor, and a graduate of Beaverton High school, favored the audience with several solos.

The past queens were introduced by Dr. Talbert, who gave a short talk on each of our past floats. The past queens were: Mildred Carr, Leona Hetu Hudson, Peggy Stock Barnes, Ada Merlo, and Catherine Beach.

John Burbank and Carl Christensen gave selections on the guitar. Mr. Christensen also sang. They responded to several encores.

Thelma Tefft tap danced, accompanied by Miss Helen Tefft at the piano. Miss Merlo played the accordion.

The mystery package donated by the Beaverton merchants were auctioned off, causing a considerable excitement.

The lunch counter was well patronized, as was the candy booth. Cakes to be auctioned off were furnished by various ladies in town.

The votes were then counted, and Miss Annabelle Benson was highest with a count of 103,850. The curtains of the stage were drawn, showing Miss Benson seated in a chair covered with roses on the stage beautifully decorated with huge baskets of flowers. The next two highest were Miss Hazel Smith with a vote of 88,000 and Miss Thelma Tefft with 58,450 votes. They were on each side of the queen and are to be her princesses.

Miss Jeanne Posson received 55,250 votes and Donald Perkins 21,950. Dancing was enjoyed during the evening.

KIWANIS DISCUSSES QUEEN CONTEST

As this week's Kiwanis meeting mostly concerned the Beaverton Queen contest President Skeet turned the chair over to vice-president "Andy" Anderson who certainly did a good job of presiding, just such a one as would be expected of him, after having made such a grand success of handling the queen contest.

Andy was so full that he could hardly wait to announce the results of the contest: that Annabelle Benson had been elected and that the affair netted some \$235 proceeds to be used for the occasion. Following this announcement, with a few well chosen words he introduced Miss Benson who sat at his side during the remainder of the meeting.

S. Averill, assistant county agent, who was present, spoke of how great a success had been made at Hillsboro with their Corn show and suggested that Beaverton might profitably inaugurate some sort of an activity along similar lines. His suggestion was that a garden show be started, the planning and organization to be under way this fall, and the real fair to come off next fall.

He thought that an individual or an organization could formulate rules, provide seed for the boys and girls, and hold the exhibits with little cost but with considerable resulting profit to the ones sponsoring the affair.

D. E. Norcross of Metzger made the principal address of the luncheon, speaking in the interest of preparing for peace.

J. E. Conoly of Conoly's Grocery will have charge of next week's meeting.

MAN ARRESTED ON ASSAULT CHARGE

Pete Martini, 48 years old farmer near Beaverton, was brought to the county jail Wednesday night charged with assault with a dangerous weapon.
