KINTON HAPPENINGS

By Mrs. E. L. Cox

Mrs. Alice Richards, clerk of the school board, has been taking the school census during the past week.

Mr. and Mrs. R. A. Williams of Portland spent the week end with their daughter, Mrs. Earl C. Bell.

Mr. and Mrs. Chris Cook of near Aloha, visited with Mr. Cook's sister, Mrs. O. H. Peterson, last week.

Mr. and Mrs. J. C. Snider and son Lester were guests Friday evening at the home of Mr. and Mrs. J. M. Stretcher of Scholls.

Mr. and Mrs. W. L. VanHorn and daughters visited Sunday with Mr. VanHorn's parents, Mr. and Mrs. J. T. VanHorn.

The farmers have been keeping their teams moving the past week, between showers, getting their plowing and drilling done.

Mrs. S. E. Cook of Sanmateo, Calif., was a visitor for a few days last week at the home of her daughter, Mrs. O. H. Peterson, Sherwood road.

Mrs. Paul Gisselberg and three sons of Cathlamet, Wash., returned to their home Wednesday, after visiting with her sister, Mrs. Everett Wright.

Miss Hansen, who makes her home with her daughter, Mrs. H. J. Valentine, is visiting with her daughter in Portland for an indefinite stay.

Miss Luella Dallman who has been spending the past two weeks with her sister, Mrs. Louise Enabnit of Park Rose, returned home Sunday evening.

Mr. and Mrs. Edwin Richards and son of Clackamas, were week end guests at the home of Mr. Richards' parents, Mr. and Mrs. Marry A. Richards.

Miss Evelyn Richards who is attending Beaverton high school, visited last week with her brother and wife, Mr. and Mrs. Alfred Richards, Dosch Station.

Kinton sent a goodly number last week to the International Livestock show held in Portland. All attending brought home good reports of the event and called it a good show.

The farmers around town have been busy digging their potatoes during the past week. The crop is not as good as usual due to the dry summer and there is not as large a crop.

E. L. Cox has been employed during the past couple weeks on the H. E. Grabhorn ranch on Cooper Mountain, helping Mr. Grabhorn with his fall work, plowing and seeding.

Mrs. Lillie M. Bierly who is making her home in Hillsboro during the winter months, spent a

few days last week at her home here. She returned to Hillsboro Friday evening.

Those from around here who went deer hunting during the season were not very lucky although one four pointer found its way here, the lucky hunter being George Richards. It tipped the scales at 200 lbs.

Mr. and Mrs. E. L. Cox and Mr. and Mrs. D. P. Newman of Kinton were dinner guests Sunday of Mr. and Mrs. L. W. Crowder of Scholls. During the afternoon the party visited the walnut drier on the Robert McClure place which was

running with a full crew in charge.

The program given by the "Broadcaster's Class" of Laurel Sunday school at community hall, last Friday evening, was attended by the following from Kinton: Mr. and Mrs. Robert Pomeroy, Mr. and Mrs. Earl Bell, Mrs. Chas. Thompson, Miss Bertha Gerig, Mrs. R. A. Williams.

Mr. and Mrs. J. H. Aten and daughter Miss Rosemary were entertained last Sunday at the home of Mr. and Mrs. Craig Dedman of Sherwood, the occasion being in honor of the wedding anniversary of the two couples. A fine dinner was served and a most pleasant time enjoyed.

A certain bachelor living on Tile Flat road is having a basement excavated for a new house which he will build in the near future. It looks as though there might be a new benedict in town before many months, but he is keeping very quiet about it and his many

neighbors and friends are becoming very much interested.

The walnut harvesting is about finished in this vicinity, and a good crop is reported. Greener is the largest grower in the community and has a drier in connection with the business. William Wenzel also has quite an extensive orchard. Nearly all the farmers have a few trees on their places and harvest enough for their own use.

Mr. and Mrs. J. H. Wright Sr. spent Sunday in Montessano Wash. visiting with friends.

Donald T. Templeton

Republican Candidate For County Judge

When the County Court, in keeping with its economy program became the purchasing agent for all county departments the savings thus made far exceeded the original estimates. This is but an example of the economies that have been introduced in the management of county affairs in the past 18 months. A careful conservation of county funds is the secret. Your vote for DONALD T. TEMPLETON, Republican nominee for COUNTY JUDGE will insure a continuance of this program.
