The special meetings being conducted by the "Clark" evangelistic party is growing in interest and attendance. You will greatly appreciate the type of service these people render. "No finer group of evangelistic singers to be found in the country" is the word that follows the Clarks as they travel from place to place. Mrs. Clark preaches a convincing gospel message that will touch your heart. You should by all means hear these messages and hear the excellent program of music.

Services each evening except Saturday evening at 7:45. On Friday evening, Mrs. Clark will speak on "Desperate Faith For Desperate Days". Sunday afternoon at 3 o'clock, the sermon subject will be "The Trinity of man". Sunday evening 7:45, the theme will be "Our Astonishing God."

**REDUCE THE TAX BILL**

**DIVORCE TAX LEVYING POWERS FROM THE TAX SPENDERS**  
Institute Reasonable Regulation Of Tax Budgets By Adopting The Oregon Plan of Tax and Debt Control

Extending to every county the system of tax supervision and conservation that has been in operation in Multnomah county and has saved taxpayers there more than \$7,500,000 during the last 11 years. It provides for review of all local tax budgets by a local, non-salaried board of citizens and taxpayers; it will insure safe and sane regulation of public expenditures, without abrogating the principle of home rule; it will not disturb the six percent tax limitation nor any debt restriction now fixed by constitutional provision, but will establish more effective tax and debt control than these so-called limitations have actually provided.

It raises freight rates in Oregon. It puts thousands in the Bread Lines. It turns over to the Railroads, Oregon's \$150,000,000 investment in Highways. It is the Most Dangerous, Deceptive and Costly Abuse of the Initiative Ever Attempted in Oregon.
